BOOK JACKET *Greeks and Romans on the Latin American Stage* Rosa Andújar, Konstantinos P. Nikoloutsos, 2020-01-09 The first comprehensive treatment in English of the rich and varied afterlife of classical drama across Latin America this volume explores the myriad ways in which ancient Greek and Roman texts have been adapted invoked and re worked in notable modern theatrical works across North and South America and the Caribbean while also paying particular attention to the national and local context of each play A comprehensive introduction provides a critical overview of the varying issues and complexities that arise when studying the afterlife of the European classics in the theatrical stages across this diverse and vast region Fourteen chapters divided into three general geographical sub regions Southern Cone Brazil and the Caribbean and North America present a strong connection to an ancient dramatic source text as well as comment upon important socio political crises in the modern history of Latin America The diversity and expertise of the voices in this volume translate into a multi ranging approach to the topic that encompasses a variety of theoretical and interdisciplinary perspectives from classics Latin American studies and theatre and performance studies

Violence in Argentine Literature David William Foster, 1995 An analysis of selected texts that are viewed as cultural responses to military tyranny and especially to the military dictatorship in Argentina between 1976 and 1983 this important work studies the process of institutional redemocratization Basing his discussion on the principle that a literary work constitutes a rewriting of the sociohistorical text Foster examines a range of essays and novels for the ways in which they structure an interpretation of sociopolitical events Of particular concern is the ideological framing of the literary work and the semiotic complications that arise in the rewriting of a complex and often elusive historical past Foster pays special attention to the contributions of feminist writing and discusses two dramatic texts by women There are also references to other dimensions of subalternity especially within the framework of the military's tight ideological array of enemies of the fatherland whose cultural production suffered repression Foster discusses the works of such authors as Enrique Medina Marta Lynch Griselda Gambaro Ricardo Piglia and Alejandra Pizarnik among others By focusing on major literary texts produced during a time of censorship and other forms of repression Foster provides a deeper understanding of Argentine culture Scholars and students of Latin American literature in general and humanists and social scientists specializing in Argentina in particular will welcome this insightful new contribution

Violent Acts Severino João Medeiros Albuquerque, 1991 Albuquerque analyzes the use of violence in Latin American theatre from the 1950s through the 1980s He argues that in the face of repression and torture some playwrights counter victimization with art as urgent as street confrontation A study from both Spanish and Portuguese speaking countries
