General Principles of Commercial Law Heinrich Schulze, 2019 **Commercial Law Reports 1997 ,2012 From**
Administrative Authorisation to Private Law Jianfu Chen, 2023-07-24 This book is an in depth comparative study of the
nature of civil and commercial law and of its development in the PRC It focuses on the very complex interrelations and
interactions between Party and state policies and measures scholars theoretical efforts and the development of civil and
commercial law especially the development of the institutions of legal personality and of property rights in the PRC It also
analyses the underlying influences of foreign legal systems and legal theories as well as the difficulties experienced by
Chinese law makers and scholars in applying these theories The book provides fresh insights into the role of law and the
transformation of Chinese civil and commercial law as now occurring in the PRC The book is a valuable reference source for
scholars who wish to explore the fascinating subject of the transformation of civil and commercial law in contemporary China

Chinese Law: Context and Transformation Jianfu Chen, 2015-12-22 Eight years of changes in China have passed since the
publication of the previous highly successful edition of this book These changes have not just been about economic
development Among the many transformations there has been another quiet peaceful and largely successful but far from
perfect revolution in the area of law whose deficiencies have been more often mercilessly examined and documented than
have its historical achievements and significance This legal revolution is the subject matter of the present book Like the
previous edition it examines the historical and politico economic context in which Chinese law has developed and
transformed focusing on the underlying factors and justifications for changes It attempts to sketch the main trends in legal
modernisation in China offering an outline of the main features of contemporary Chinese law and a clearer understanding of
its nature from a developmental perspective It offers comprehensive coverage of topics such as legal culture and modern law
reform constitutional law legal institutions law making administrative law criminal law criminal procedure law civil law
property family law contracts law on business entities securities bankruptcy intellectual property law on foreign investment
and trade and implementation of law Fully revised updated and considerably expanded this edition of Chinese Law Context
and Transformation is a valuable and important resource for researchers policy makers and teachers alike American
