Dictionary of Homonyms David Rothwell, 2007 Many of us don't know what a homonym is yet we use them every day The Wordsworth Dictionary of Homonyms the first of its type published in Britain will bring enlightenment Do you get confused between too and two Do you need to know the five definitions of fluke If so then this is the book for you A boon for crossword addicts a treasure trove for punsters and an endless source of fascination for anyone interested in the English language

One Thousand and One Homonyms and Their Meanings Raymond E. Laurita, 1992-03 *A Dictionary of Homonyms* Louise Ellyson, 1979 **A Dictionary of Homonyms** Louise Ellyson, 1981 *A Dictionary of English Homonyms*, 1899 **A Dictionary of English Homonyms** A. F. Inglott Bey, 2015-06-27 Excerpt from A Dictionary of English Homonyms Pronouncing and Explanatory This unassuming little work contains a collection of English words very similar in sound but differently spelled and conveying different meanings which are generally known under the name of Homonyms Collections of Homonyms are certainly found in almost all elementary English school books but they are generally too concise It has therefore been thought necessary to give to the subject a fuller development without omitting the introduction of a certain number of words considered antiquated or obsolete but which are nevertheless freely used in common speech in order to better enable students of the English language to grapple with the difficulty presented by Homonymous words especially in writing under dictation It is moreover obvious that the translation into French and Italian of every English Homonym as contained in the text will prove of considerable help especially to foreigners studying the English language About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
