Dictionary Of Mythology:

The Dictionary of Mythology J. A. Coleman, 2015 packed with information on heroes and heroines mythical beasts imaginary characters legendary artifacts mythological places and celebrated historical figures The scope of the book covering many cultures and countries Dust jacket

Dictionary of Mythology Bergen Evans, 1991-03-02 From the ancient past come the myths that color our present Like the symbols that haunt our dreams and guide our inner journeys the myths of the Western world touch something deep within us awakening old nightmares and new yearnings Some of the gods tales and mythic creatures in Bergen Evan s Dictionary Of Mythology are as familiar as the disturbing tale of Oedipus Others may seem strange wonderful or chillingly macabre Lycaon the murderer who is transformed into a wolf by an angry god Cronus Time who devours his won children Pan the god of the animal in man who fills us with overmastering fears that sweep courage and prudence aside the hero Sigurd who seeks a magic ring and finds a maiden in a ring of fire These tantalizing stories and dozens more make this book a perfect addition to any library as delightful for browsing as it is essential for reference

The world of myths Frank Chapin Bray, 1942

Academic Dictionary Of Mythology Ramesh Chopra, 2005 The present publication is an up to date authentic and comprehensive dictionary of mythology which recognises that mythology is a field in its own right and with its own language It aims to provide clear concise and correct definitions and descriptions of the terms used in mythology This work is designed to be a comprehensive reference tool for researchers teachers students and all those interested in mythology It is earnestly hoped that it will be an authoritative source to which one can turn with confidence for meaning and knowledge of the common specialised and latest terms in mythology

A Dictionary of World Mythology Arthur Cotterell, 1979

Short Dictionary of Mythology Percival George Woodcock, 2009-03-01 A basic dictionary of mythological characters and terms

Dictionary of Mythology Bergen Evans, 1977

Dictionary of Mythology, Folklore and Symbols Gertrude Jobes, 1961 A timeless classic

The Dictionary of Classical Mythology Pierre Grimal, 1996-08-27 The Dictionary of Classical Mythology is a unique companion to the ancient Greek and Roman myths and legends

Dictionary of Classical Mythology Jennifer R. March, 2014-05-31 Jenny March s acclaimed Dictionary of Classical Mythology first published in 1998 but long out of print has been extensively revised and expanded including a completely new set of beautiful line drawing illustrations for this Oxbow edition It is a comprehensive A Z guide to Greek and Roman mythology All major myths legends and fables are here including gods and goddesses heroes and villains dangerous women legendary creatures and monsters Characters such as Achilles and Odysseus have extensive entries as do epic journeys and heroic quests like that of Jason and the Argonauts to win the Golden Fleece all alongside a plethora of information on the creation of the cosmos the many metamorphoses of gods and humans and the Trojan War plus more minor figures nymphs seers kings rivers to name but a few In this superbly authoritative work the myths are brilliantly retold along with any major variants and with extensive translations from ancient authors that give life

to the narratives and a sense of the vibrant cultures that shaped the development of classical myth. The 172 illustrations give visual immediacy to the words by showing how ancient artists perceived their gods and heroes. The impact of myths on ancient art is also explored as is their influence in the post classical arts emphasising the ongoing inspiration afforded by the ancient myths. Also included are two maps of the ancient world, a list of the ancient sources and their chronology, the more important genealogies and an index of recurrent mythical motifs. Praise for the first edition: the *Dictionary of Classical Mythology* is exemplary indeed the best I have consulted clearly and engagingly written it not only gives reliable answers but also encourages reading on. Simon Goldhill *Times Literary Supplement* a prodigious authoritative gazetteer each entry both typographically and stylistically readable and if you know more than is contained in these pages then you have no need of it. Nicholas Lezard *Guardian Book of the Week* Greek myths pervade our own art and literature almost as much as they influenced that of classical times and this will be an invaluable guide. *The Good Book Guide* a modern encyclopaedia of myth and legend which is user friendly in layout presentation and style vivid and readable. Paula James *The Classical Review* These stories are frequently the spark that ignites a wider interest in the classical world and March provides a wealth of inflammatory material. Charles Paterson *JACT Review* This dictionary will still be valuable all through the next century. Sir Hugh Lloyd Jones vivid detailed where it matters yet concise accurate no padding always to the point it is a joy to read. Herwig Maehler

The Dictionary of Classical Mythology John Edward Zimmerman, 1983-06-01 Over 2 000 entries with simple complete explanations of classical myths heroes authors works place names and symbols And a bibliography of recommended translations of Greek and Latin prose and poetry A knowledge of classical mythology is indispensable in understanding and appreciating much of the great literature sculpture and painting of both the ancients and the moderns Unless we know the marvelous stories of the deities and heroes of the ancients their great literature and art as much later work down to the present day will remain unintelligible Through the centuries from Chaucer Spencer Shakespeare and Milton on not only the major writers but also hundreds of lesser writers have retold the old tales or used them as a point of departure for new interpretations in terms of contemporary problems and psychology From author's Introduction

Universal Pronouncing Dictionary of Biography and Mythology: Her to Z Joseph Thomas, 1901

Cassell Dictionary of Classical Mythology Jennifer R. March, 1998 This is an A Z guide to the mythology of the classical world covering all the principal myths gods and goddesses together with the personalities places animals monsters heavenly bodies and events of classical mythology Background historical and archaeological information is provided The outline accounts are supplemented by extensive quotations from the original sources to help bring the narrative to life and show how literary traditions shaped the development of classical mythology

The Wordsworth Dictionary of Mythology Fernand Comte, 1994 This guide includes gods from ancient civilizations such as Aphrosire Quetzacoatl and Vishnu and legendary heroes from Achilles to Visvamisra It provides information on the genealogies and pantheons of the gods and their sanctuaries and cults

Dictionary of classical mythology Pierre Grimal,1990 *Dictionary of Greek and Roman Biography and Mythology:*
Earinus-Nyx William Smith,1846 *The World of Myths* F. C. Bray,1972 The Children's Dictionary of Mythology David
Adams Leeming,1999 A dictionary of terms names and places in the mythology of various cultures around the world **The**
Illustrated Dictionary of Greek and Roman Mythology Michael Stapleton,1986 Describes the themes characters and
legends of Greek and Roman mythology **Dictionary of Classical Mythology** John Edward Zimmerman,1964
