**Intersections of Diversity, Literacy, and Learner Difficulties** Theresa Abodeeb-Gentile, Dennis A. Conrad, 2022-08-22 This book invites readers to challenge corroborate and add to the discourse on more inclusive pedagogical practice Presenting theoretically and empirically informed research it highlights potential considerations regarding the intersections of diversity literacy and learner difficulties These three areas provide a stage where opposing paradigms often pose challenges for educators and create unnecessary barriers to providing the best education for all learners These barriers might reveal how students are positioned through a deficit lens rather than one that recognizes individual differences and how these learner differences sometimes result in labels or put students at increased risk of encountering difficulties The contributing authors goals are to start and sustain a conversation that examines these perspectives and to offer counter narratives to the deficit lens by recognizing that individual difference does not need to be a barrier to educational access By examining opportunities for more inclusive educational success this book encourages discourse among key stakeholders further it goes beyond problematizing to offer new avenues for optimal learning and inclusive pedagogy across multiple contexts

Introduction to TESOL Kate Mastruserio Reynolds, Kenan Dikilitas, Steve Close, 2021-11-23 A comprehensive introduction to TESOL for new and future teachers of English offering a full and detailed view of the process of becoming a language teacher Introduction to TESOL Becoming a Language Teaching Professional presents an expansive and well balanced view of both the interdisciplinary knowledgebase and professional opportunities in the field of language teaching Written to help aspiring TESOL educators understand how to begin their careers this comprehensive textbook covers both the foundational linguistic elements of TESOL as well as the practical pedagogical aspects of the discipline Written with the needs of the introductory

student in mind this book delves into the essentials of English as a Second Language ESL and English as a Foreign Language EFL teaching covering professional organizations language acquisition theories instructional practices professional development and more Readers are provided with clear descriptions of recent research and contemporary practices numerous illustrations and examples highlighting key material and engaging real world vignettes from professionals teaching internationally Offering a coherent overview and contextualized orientation of the field of TESOL this guide Discusses the differences in TESOL approaches in international settings Addresses the current state and potential future of TESOL with a view for new developments in teaching pedagogy and language research Explores the history and development of the field including the political social and cultural decisions made about language teaching and learning Describes the specializations niches and subfields within the discipline of TESOL Explains what how and why TESOL educators need a working understanding of linguistics and second language acquisition theories Outlines the scope of the profession and how to engage in professional organizations to grow in expertise Introduction to TESOL Becoming a Language Teaching Professional is essential reading for students and educators planning to enter this dynamic and rewarding area of language teaching
