Handbook of Research on Communication Strategies for Taboo Topics

Luurs, Geoffrey D.,2022-04-29 Social norms are valuable because they help us to understand guidelines for appropriate and ethical behavior However as part of that process cultures develop taboo behaviors and topics for group members to avoid Failure to discuss important topics such as sex drug use or interpersonal violence can lead to unwanted or unintended negative outcomes Improving communication about forbidden topics may lead to positive social and health outcomes but we must first develop the communication and coping skills to handle these difficult conversations The Handbook of Research on Communication Strategies for Taboo Topics seeks both quantitative and qualitative research to provide empirical evidence of

the negative social and health outcomes of avoiding taboo conversations and provides communication and coping strategies for dealing with difficult topics Covering a range of issues such as grief and forgiveness this major reference work is ideal for academicians practitioners researchers counselors sociologists professionals instructors and students
