The God who loved you enough to die for you loves you enough to talk to you And wherever you are in your spiritual walk God will find a way to speak to you in a way you will understand Become acquainted with the Voice that has spoken from a fire and a cloud with visible signs and an invisible Spirit through a burning bush and burning hearts Hear from some of the most well known Christians in history about how God speaks to them and discover for yourself how you can discern the voice of God *Summary of Priscilla Shirer's Discerning the Voice of God* Everest Media,2022-07-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 When we want to hear from God we must first slow down quiet our hearts and listen for His Spirit s direction This isn t just relevant for prayer but for all aspects of our lives 2 As you begin your journey through the pages of this book consider what s on your list of questions for God right now If you re always impatient you leave little space for God s leading to resonate in your already crowded schedule 3 There are a million questions you can ask yourself and the answer to one of them is where the journey of hearing God begins Take time to hear from God see what He has to say and wait for His direction 4 The most common reason we don t hear from God is that we re not listening We must discipline ourselves to listen and hear God s voice in prayer *Heaven on Earth: The Order and Meaning of Mass* Ralph Barnett,2024-02-24 We re living through the greatest loss of faith in the history of the Catholic Church a refrain reverberating thru Catholic America Likely you are familiar with the statistics 25% percent decline in Mass attendance 15% of churches closed and or consolidated 65% of Catholics do not believe in the Real Presence Catholicism the largest Christian creed followed closely by fallen away Catholics America s religious decline is not new Experts claim Christianity has been on decline since the removal of prayer from public schools in 1962 Catholic school enrollment declined concurrently Yet prayer was not removed from Catholic schools Predictably Mass attendance followed What changed Catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified As a cradle Catholic father grandfather and amateur student of Mass I offer an assertion supported by my love of Catholicism logic and a book What changed was the equivalent of removing the pillar of prayer from public schools Mass was removed from Catholic catechesis school CCD RCIA adult formation ambo and domestic church A cursory look at a Baltimore Catechism the 1950 60s field manual for Catholics reveals a 30 page segment Catechism of the Mass immersing students in liturgical details A cursory look at current Catholic curricula reveals a paucity of information on Mass ranging from a few paragraphs in school texts to take home trifolds for CCD RCIA etc Is Mass that important Did you know Mass Is the most perfect way for man to praise and give thanks to God Is the only sacrifice perfect pleasing and acceptable to God Is the most sacred function of the Church surpassing all others in efficacy Is the Church s greatest prayer Is an offering for the whole Mystical Body of Christ Is the highest form of prayer for the faithful Is the Church s 1 effort to save souls Is the same sacrifice Christ made on the Cross Is the perfect answer to prayer as it brings mercy and salvation Christ won for us Is required attendance every Sunday and six Holy Days a year but Communion only once Is the Source and Summit of our Faith

Seemingly Mass is the answer to everything integral to Catholicism Why is it not taught in Catholic education settings How do we reverse the tide Pope John Paul II Mass is Heaven on Earth What we celebrate on Earth is a mysterious participation in the heavenly liturgy If Catholics realized Mass is tantamount to Heaven on Earth would we be witnessing the greatest loss of faith in the history of the Catholic Church Emphatically No As one Priest opined We d have to double Masses and they d be SRO We would witness the greatest flood of student enrollment and Mass attendance since the inception of Catholicism in America We would have to double Catholic school classes and reopen shuttered schools and churches Catholics must reassess school CCD RCIA adult formation and domestic church catechesis to make space for a deep dive into Mass To fulfill the need I submit a book series Heaven on Earth The Order and Meaning of Mass Heaven on Earth second edition text for adults Curriculum for students and educators Workbook of lesson reviews for students Heaven on Earth is not a theological or academic treatise but a user friendly step by step guide to Mass for the faithful unlike anything available elsewhere Author s Promise You will never ever go to church attend Mass or receive Communion the same way again
