Magick in Theory and Practice is Part 3 of Aleister Crowley's four part masterwork Magick Liber ABA Book Four a foundational resource of modern magick occultism and hermeticism Crowley's unparalleled knowledge of magick which is defined as the effort in Wicca and certain other belief systems undertaken to affect personal transformation or external change acquired as both scholar and practitioner made him one of the world's leading experts on the subject He was a British occult mystic who even created his own esoteric magick based spiritual philosophy called Thelema for which he wrote the sacred texts In Crowley's broad view magick represents the act of affecting the world through thoughts and actions Often known for his sensational teachings and self created diabolical image he was infamously known in his own words as the Wickedest Man in the World Crowley here provides an accessible and comprehensive entry into the world of magick for all readers Synthesizing the most salient elements of his many other writings on the subject this insightful and instructive volume focuses specifically on how to understand and perform ceremonial magick Part 1 thoroughly explores definition theory formulas methods and philosophy of magick along with the importance of self discipline In the second half Crowley illuminates and provides instructions for several of the most significant magical rituals including the Star Ruby banishing Rite Replete with useful advice and copious footnotes Magick in Theory and Practice includes helpful instructions for creating conducive mindsets and appropriate physical settings for practicing magick It is a must read for any aspiring magus mage practitioner of magic or student of the occult and belongs in every magician's library

Magick in Theory and Practice
Aleister Crowley, 2014-01-03 Magic is the Highest most Absolute and most Divine Knowledge of Natural Philosophy advanced in its works and wonderful operations by a right understanding of the inward and occult virtue of things so that true Agents being applied to proper Patients strange and admirable effects will thereby be produced Whence magicians are profound and diligent searchers into Nature they because of their skill know how to anticipate an effect the which to the vulgar shall seem to be a miracle The Goetia of the Lemegeton of King Solomon Wherever sympathetic magic occurs in its pure unadulterated form it is assumed that in nature one event follows another necessarily and invariably without the intervention of any spiritual or personal agency Thus its fundamental conception is identical with that of modern science underlying the whole system is a faith implicit but real and firm in the order and uniformity of nature The magician does not doubt that the same causes will always produce the same effects that the performance of the proper ceremony accompanied by the appropriate spell will inevitably be attended by the desired results unless indeed his incantations should chance to be thwarted and foiled by the more potent charms of another sorcerer He supplicates no higher power he sues the favour of no fickle and wayward being he abases himself before no awful deity Yet his power great as he believes it to be is by no means arbitrary and
