a more flexible and yet more effective manner how EU integration steps can engage with national constitutional concerns in a more structured manner as well as specifically how national parliaments can be integrated and play a decisive role even when budgetary and fiscal powers are conferred at the EU level thereby identifying a future model for EU cooperation in politically important competence areas It thus offers a constructive outlook on achievable fiscal integration steps which will prove of inestimable value to lawyers judges and policymakers at the national and EU levels **Reference Catalogue of Current Literature** ,1902 **New Constitutional Horizons** Cormac S.
