Maloy Krishna Dhar Open Secrets:

Open Secrets: India S Intelligence Unveiled Maloy Krishna Dhar,2005-12 Exposes the deplorable stories of blatant and brutal misuse of the India intelligence *Indira Files: A Critical Look At The Controversial Side of Indira Gandhi* Vishnu Sharma,2023-12-21 Analyze the controversial side of Indira Gandhi s political legacy with Indira Files offering a critical examination of her leadership and policies I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India She is a perfect example of dynastic rule on one hand she is called the Iron Lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country Where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two on the contrary she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son like Gandhari loved Duryodhana Nonetheless we cannot forget that it was Indira Gandhi who gave wings to India s strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today s scenario there are numerous political parties that operate under a single family s control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do **Re-Energising Indian Intelligence** Manoj

Shrivastava,2013-04-01 This book covers a vast canvas historically as regards Indian Intelligence and gives an adequate insight into the functioning of the important intelligence agencies of the world The author has analysed the current functioning of Indian Intelligence agencies in great detail their drawbacks in the structure and coordination and has come out with some useful suggestions *Intelligence Services in South Asia* Ryan Shaffer,ASM Ali Ashraf,2025-02-18 This book explores colonial and post colonial intelligence services in South Asia It traces the genealogy of the institutions to analyze changes and continuities throughout the region The volume also provides a framework for analyzing how intelligence services developed in these countries by looking at both internal and external issues and shows how vital and sometimes interconnected these issues are for understanding intelligence in South Asia It demonstrates how some countries and intelligence services borrowed from the colonial era and others started new institutions to protect national security in response to the shifting demands of the Cold War and post Cold War era Bringing together a group of international scholars the anthology delves into the intelligence services of Afghanistan Bangladesh Bhutan India the Maldives Myanmar Nepal Pakistan and Sri Lanka and traces how these national services developed in similar and diverse ways This book will be of much interest to students of intelligence studies Asian politics security studies and International Relations **The Handbook of Asian Intelligence Cultures** Ryan Shaffer,2022-10-03 As Asia increases in economic and geopolitical

significance it is necessary to better understand the region's intelligence cultures. The Handbook of Asian Intelligence Cultures explores the historical and contemporary influences that have shaped Asian intelligence cultures as well as the impact intelligence services have had on domestic and foreign affairs. In examining thirty Asian countries, it considers the roles, practices, norms, and oversight of Asia's intelligence services, including the ends to which intelligence tools are applied. The book argues that there is no archetype of Asian intelligence culture due to the diversity of history, government type, and society found in Asia. Rather, it demonstrates how Asian nations' histories, cultures, and governments play vital roles in intelligence cultures. This book is a valuable study for scholars of intelligence and security services in Asia, shedding light on understudied countries and identifying opportunities for future scholarship. Mark M. Lowenthal, 2016-09-29. Mark M. Lowenthal's trusted guide is the go-to resource for understanding how the intelligence community's history, structure, procedures, and functions affect policy decisions. In this Seventh Edition, Lowenthal examines cyber space and the issues it presents to the intelligence community, such as defining cyber as a new collection discipline, the implications of the Senate Intelligence Committee's staff report on enhanced interrogation techniques, the rise of the Islamic State, and the issues surrounding the nuclear agreement with Iran. New sections have been added, offering a brief summary of the major laws governing U.S. intelligence today, such as domestic intelligence collection, whistleblowers vs. leakers, and the growing field of financial intelligence. Train to India. Maloy Krishna Dhar, 2009-10-09. FROM THE AUTHOR OF OPEN SECRETS: THE UNTOLD STORY OF THE HUMAN TRAGEDY IN BENGAL BEFORE, DURING, AND AFTER PARTITION. Maloy and his mother board the Dacca Sylhet Express from Bhairab in 1950. The young boy notices a tick mark in white chalk on the side of the carriage, a sign that worries him. The train enters the Anderson Bridge, and a blob of fresh blood hits Maloy's face. Bodies roll down to the river. As a young boy, Maloy Krishna Dhar made the perilous journey to India from the East Pakistan. Politics had taken a communal colour in this region; age-old bonds between Hindi and Muslim Bengalis had deteriorated. The situation was made worse by near-famine conditions and the brutal suppression of unrest. Villages were torched, marauding attackers had a free hand, and trains became charnel houses on wheels. The partition in Bengal had its share of tragedy: lives unmade and lost, but it is relatively less chronicled than events in Punjab. Maloy Krishna Dhar's Train to India is a graphic and moving account of that turbulent and unforgotten era of Bengal History. **The Politics of Counterterrorism in India**. Prem Mahadevan, 2011-12-18. In the wake of the Mumbai terrorist attacks in November 2008, terrorism and counterterrorism in India became the focus of international, regional, and national attention. Here, Prem Mahadevan, by using three case studies of Sikh separatist, Kashmiri separatist, and pan-Islamist groups, focuses on the efforts of India's decision makers and intelligence agencies to create coherent and effective counterterrorism policies and actions. Questioning why Sikh separatist groups have been effectively contained and yet pan-Islamists have not, Mahadevan draws the conclusion that due to a gap between the expectations of decision makers and the capabilities of strategic intelligence

agencies India's ability to prevent terrorist attacks has been undermined In addition the role played by Pakistan's intelligence agencies in the border regions is given extensive analytical treatment Combining a theoretical approach with empirical analysis of India's counterterrorist activities this book holds valuable information for those examining strategy making and counterterrorism practitioners as well as researchers in addition to those interested in the politics of India

My Enemy's Enemy Avinash Paliwal,2017 The archetype of my enemy's enemy is my friend India's political and economic presence in Afghanistan is often viewed as a Machiavellian ploy aimed against Pakistan Challenging deeply held beliefs about an India Pakistan proxy war this work offers a nuanced explanation of India's strategic intent and actions which is critical to resolving the seemingly unending war in Afghanistan as well as wider bilateral disputes between the two South Asian rivals

Special Operations Case Studies Lt Gen Prakash Katoch,2019-10-21 This book in four sections covers the Operational Milieu and Special Operations Successful Special Operations Failed Special Operations and Implications for India It covers regular irregular and mixed operations under the rubric of hybrid warfare of select foreign militaries and Indian experience in sub conventional operations A myriad of successful and failed special operations covering a span of over seven decades from 1943 onwards have been analyzed in detail drawing lessons from each The last Section Implications for India covers lessons challenges and recommendations in three chapters These highlight India's adverse strategic asymmetry vis a vis China Pakistan inability of India to put in place SOF structures to optimize the considerable SF potential for employment at the strategic operational and tactical levels and ending up with policy recommendations

Christianity and Politics in Tribal India G. Kanato Choppy,2021-11-01 Through an ethnohistorical study of the Nagas a congeries of tribes inhabiting the Indo Myanmar frontier this book explores an unusually interesting region of India that is all too often seen as peripheral G Kanato Choppy provides a distinct vantage point for understanding the Nagas in relation to colonialism missionary encounters identity politics and cultural change all seamlessly woven around American Baptist mission history in this region The book also analyses India's cacophonous postindependence democracy in order to delineate multifaith issues multiculturalism and ethnicity based political movements Within the West episodic memories of the Great Awakening a significant landmark in the history of Protestantism have faded into archival records But among the Nagas of the Indo Myanmar highlands Baptist Christianity persists as the dominant religion influencing the daily lives of nearly three million people Focusing variously on evangelical faith missionary zeal ethnic identities political struggle and complex culture wars Christianity and Politics in Tribal India is an original and major study of how Protestant missions changed the history and destiny of a tribal community in one of the unlikeliest regions of South Asia

Great Game East Bertil Lintner,2015-01-01 Since the 1950s China and India have been locked in a monumental battle for geopolitical supremacy Chinese interest in the ethnic insurgencies in northeastern India the still unresolved issue of the McMahon Line the border established by the British imperial government and competition for strategic access to the Indian Ocean have given rise to tense gamesmanship

political intrigue and rivalry between the two Asian giants Former Far Eastern Economic Review correspondent Bertil Lintner has drawn from his extensive personal interviews with insurgency leaders and civilians in remote tribal areas in northeastern India newly declassified intelligence reports and his many years of firsthand experience in Asia to chronicle this ongoing struggle His history of the Great Game East is the first significant account of a regional conflict which has led to open warfare on several occasions most notably the Sino India border war of 1962 and will have a major impact on global affairs in the decades ahead **India Today** Arnold P. Kaminsky, Roger D. Long Ph.D., 2011-09-23 Containing almost 250 entries

Northern India Yu-Wen Chen, Chih-yu Shih, 2016-04-14 The colonial legacy in the construction of the modern Indian state has left a deep imprint on contemporary Indians self identity and self determination Borderland Politics in Northern India is a collection of essays giving detailed accounts of the many different ways that people throughout India understand their homeland the territory where they live and the broader region to which they belong Mona Chettri looks at the Gorkha community in the Darjeeling hills to the northeast Manjeet Baruah examines Assam and L Lam Khan Piang explores the dispersion of the Zo people throughout many northeastern states In the northwest Aijaz Ashraf Wani illustrates how Jammu and Kashmir state is severed along complex regional religious and ethnic lines This book is an invaluable source for readers interested in comparative studies of borderlands globally It also contributes to South Asian studies broadly conceived to Indian border studies and to local social cultural and political histories of the constituent border regions of Northern India This book was published as a special issue of Asian Ethnicity *Intelligence* Mark M. Lowenthal, 2025-08-19 Now in its

Tenth Edition Mark Lowenthal's book is the go to resource for understanding the intelligence community *Identity and Survival* Kirpal Dhillon, 2006-12-22 Drawing on his experiences in Punjab as director general of police from 3 July 1984 within weeks of Operation Blue Star to 22 August 1985 Kirpal Dhillon writes about the phase of militancy in the state as not just a law and order problem but a question of Sikh nationalism of a minority under threat This is an insider's view of the factors

that bedeviled Punjab for close to two decades Coming from a man who witnessed the drama first hand and analyzed its historical causes this book is a valuable addition to literature on the Sikh community's darkest years a phase that is not necessarily over *Landscapes of Fear* Patrick Hoenig, Navsharan Singh, 2014-07-04 Drawing on the findings of a comparative research project this volume tackles a set of intricate questions about the workings of impunity in India How do victims of abuse and survivors of sexual violence end up being denied justice What do those on the margins those with the wrong sex wrong identity markers wrong political leanings tell us about violence by state and non state actors Bringing together senior academics civil society leaders and fresh voices from across India the volume offers analysis contextual structural and gendered and breaks new conceptual ground on the underbelly of India Shining The volume contains testimonies that were collected during fieldwork in four Indian states Published by Zubaan **China's India War** Bertil Lintner, 2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru's hostile policies was put forth by journalist Neville Maxwell in his book India's China War which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell's narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell's book Bertil Lintner's China's India War puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today

Evangelising the Nation John Thomas, 2015-10-05 Northeast India has witnessed several nationality movements during the 20th century The oldest and one of the most formidable has been that of the Nagas inhabiting the hill tracts between the Brahmaputra river in India and the Chindwin river in Burma now Myanmar Rallying behind the slogan Nagaland for Christ this movement has been the site of an ambiguous relation between a particular understanding of Christianity and nation making This book based on meticulous archival research traces the making of this relation and offers fresh perspectives on the workings of religion in the formation of political and cultural identities among the Nagas It tracks the transmutations of Protestantism from the United States to the hill tracts of Northeast India and its impact on the form and content of the nation that was imagined and longed for by the Nagas The volume also examines the role of missionaries local church leaders and colonial and post colonial states in facilitating this process Lucidly written and rigorous in its analyses this book will be of interest to scholars and researchers of South Asian history religion political science sociology and social anthropology and particularly those concerned with Northeast India
