Marketing Strategy and Management Michael J. Baker, 2017-09-16 The fifth edition of *Marketing Strategy and Management* builds upon Michael Baker's reputation for academic rigor. It retains the traditional functional 4Ps approach to marketing but incorporates current research, topical examples, and case studies encouraging students to apply theoretical principles and frameworks to real-world situations. *Managerial Economics* James R. McGuigan, R. Charles Moyer, Frederick H. deB. Harris, 1999 The emphasis on real-world manager-oriented applications shows students how managers apply theories and techniques to analyze and solve real-world business problems. Over 200 applications, corporate examples, and Managerial Challenges more than any other book support this real-world approach. **E-Business Managerial Aspects, Solutions and Case Studies** Cruz-Cunha, Maria Manuela, Varajão, João, 2010-12-31 This book provides a discussion of the managerial aspects, solutions, and case studies related to e-business, disseminating current achievements and practical solutions and applications. Provided by publisher. **Encyclopedia of Business Information Sources** Linda D. Hall, 2008 Each updated edition of this detailed resource identifies nearly 35,000 live print and electronic sources of information listed under more than 1,100 alphabetically arranged subjects, industries, and business concepts and practices. Edited by business information expert James Woy. *Forthcoming Books* Rose Arny, 2001-08 **Global Shift, Seventh Edition** Peter Dicken, 2015-02-10 The definitive text on globalization, this book provides an accessible, jargon-free analysis of how the world economy works and its effects on people and places. Peter Dicken synthesizes the latest ideas and empirical data to blaze a clear path through the thicket of globalization processes and debates. The book highlights the dynamic interactions among transnational corporations, nations, and other key players and their role in shaping the uneven contours of development. Mapping the changing centers of gravity of the global economy, Dicken presents in-depth case studies of six major industries. Now in full color throughout, the text features 228 figures. Companion websites for students and instructors offer extensive supplemental resources, including author videos, applied case studies with questions, lecture notes with PowerPoint slides, discipline-specific suggested further reading for each chapter, and interactive flashcards. New to This Edition: Every chapter thoroughly revised and updated. All 228 figures now in color are new or redesigned. Addresses the ongoing fallout from the recent global financial crisis. Discussions of timely topics: tax avoidance and corporate social responsibility, global problems of unemployment, poverty, and inequality, environmental degradation, the Eurozone crisis, and more. Enhanced online resources for instructors and students. *Introduction to Management* Sarah Birrell Ivory, Emma Macdonald, 2024 Written by experts inspired by practitioners, focused on challenges. *Introduction to Management* is an authentic introduction to management in an ever-changing world. *Introduction to Management* is a uniquely accessible and engaging companion to managing in the real world. Placing issues of digital, environmental, and social disruption at center stage, it guides students through the varied and complex reality of management with ease, encouraging them to develop their

own critical view of this dynamic area
