**Managing Crisis** Gerald C. Meyers, John Holusha, 2018-04-17. First published in 1986, Gerald C. Meyers believes that a crisis in business, as in life, is often foreseeable. He also believes that it can be managed, offering an unprecedented opportunity for positive change in a company. If you are to succeed in business today, you must learn to manage rapid change; you must learn to manage crisis. Meyers has developed a plan for practical crisis management. He explains the stages of a business crisis and then details nine common types, incorporating case histories from 31 instructive corporate upheavals and the comments of the executives who went through them.
