Harvard Business Review (1999)

What are my strenghts?

Feedback analysis

The second half of your life

1. Start one by moving jobs
2. Develop a parallel career (ex. part time, consulting...)
3. Be a social entrepreneur/organizer

Take Responsibility for Relationship

Other people are individuals too.

Adapt to different strengths, ways of working, values.

Take responsibility for communication

share yourself

What Should I Contribute?

Plan

18 months beyond: fuzzy

- What does the situation need?

- What result have to be achieved to make a difference?

- Hard to achieve (stretch)
- But within reach
- Meaningful
- Visible
- Measurable (if possible)

How do I work?

Don't try to change yourself.

Improve how you perform.

Avoid what you will perform poorly.

What are my values?

Where do I belong?

Where do I not belong?

Know yourself so that you can say 'yes, but this way'

Managing Oneself Peter F Drucker Mysportsore:

The Daily Drucker Peter Drucker, 2018-03-09 A powerful new learning tool for the ambitious self directed manager entrepreneur or business person today The Daily Drucker distills the essence of management guru Peter F Drucker s teachings in an easy to access daily calendar format It presents in organized form a key statement of Drucker s followed by a few lines of comment and explanation with topics ranging across a great many fields of his work management business and the world economy a changing society innovation and entrepreneurship decision making the changing workforce and the non profit and their management However the most important part of this book are the blank halves of its pages They are what the readers will contribute their actions decisions and the results of these decisions There are 366 readings each addressing a major topic one for every day of the year Each reading starts with a topic and a Drucker Proverb such as Know Thy Time capturing the essence of the topic Then there is a teaching taken directly from the works of Peter Drucker Next comes the action step where you are asked to Think on the teaching and apply it to yourself and your organization

People and Performance Peter Ferdinand Drucker, 1995 What is management What is a manager How is a business organized and how can managers use people s strengths more effectively What is the relationship between management today and the society and culture it seeks to direct These and many more questions are discussed in Peter Drucker s classic survey of management thought and practice People and Performance is the ideal volume for those who want the essence of Drucker s thinking but with limited time at their disposal It spans all the main dimensions of management and its themes are based on Drucker s direct experience as an adviser to businesses government departments public institutions and as a widely sought lecturer

managing for results Peter F. Drucker, 2006-10-03 The effective business Peter Drucker observes focuses on opportunities rather than problems How this focus is achieved in order to make the organization prosper and grow is the subject of this companion to his classic work The Practice of Management Managing for Results shows what the executive decision maker must do to move his enterprise forward Drucker again employs his particular genius for breaking through conventional outlooks and opening up new perspectives for profits and growth

Managing People and Organizations Guido Stein, 2010-07-16 Peter Drucker was timely and inopportune at the same time It is clear that from his continual formation there has been born a singular and at the same time multi faceted philosophy which is deliberately difficult to summarize This book shows the lesser known side of Peter Drucker as far as his views on his own ideas are concerned

Managing for Results Peter Ferdinand Drucker, 1964 The effective business Peter Drucker observes focuses on opportunities rather than problems How this focus is achieved in order to make the organization prosper and grow is the subject of this companion to his classic work The Practice of Management Managing for Results shows what the executive decision maker must do to move his enterprise forward Drucker again employs his particular genius for breaking through conventional outlooks and opening up new perspectives for profits and growth
