Mordin On Time Pdf:

Mordin on Time Nick Mordin, 2003-02 In Mordin On Time Nick Mordin sets out his method for answering the most fundamental question facing punters in any race namely which is the fastest horse He was timing the sections of races with a stop watch estimating wind strength and direction adjusting for movements of running rails using projected times and calculating average times years before the best selling American books on speed rating were published This new edition incorporates much new material including standard times for all Irish racecourses plus the major French ones Mordin On Time enables the reader to construct their own speed ratings wherever they live

A Fortified Far Right? Katalin Petho-Kiss, Rohan Gunaratna, 2024-04-30 Petho Kiss and Gunaratna understand the nature of the threat posed by the far right because of their findings and they propose effective provisions and mechanisms for detecting and countering it The book undertakes a consistent procession and empirical examination of available information to arrive at the recognition that in order to dissolve the complexity of the associated threat we need to scrutinize the functioning of far right threat groups In depth and consistent analysis on their mode of operation and mindset enables us to identify ways to detect and counter their malicious efforts and activities The theoretical framework for the analysis lies upon the concept of wave theory The main question that this book examines is whether far right terrorism constitutes a new wave of global terrorism One question emerges from this statement that requires further elaboration Is far right terrorism a novel wave of terrorism If yes how is it novel and what are the novelties or developments in it This book is for scholars as well as practitioners in the counter terrorism CT and the prevention countering violent extremism PCVE field Through specific case studies students studying CT and or PCVE could gain insight into the operational functionalities of far right threat groups This may help them to get a more accurate understanding of the threat posed by these entities Examining the recruitment funding communication practices and modus operandi of worrisome threat actors equips us to design the most effective countermeasures and identify the hiatuses in applicable legislative regimes
