Stephen King, 2024-11-27 The Bill Hodges Trilogy Collection Set. *Mr Mercedes*, *Finders Keepers*, *End of Watch* by Stephen King. Finders Keepers Stephen King, 2015-06-02 The second book in Stephen King's Bill Hodges trilogy. *Mr Mercedes*, *Finders Keepers*, *End of Watch* Stephen King's superb stay-up-all-night thriller is a sly tale of literary obsession that recalls the themes of his classic 1987 novel *Misery*. The Washington Post the #1 New York Times bestseller about the power of storytelling starring the same trio of unlikely and winning heroes Stephen King introduced in *Mr Mercedes*. Wake up, genius. So announces deranged fan Morris Bellamy to iconic author John Rothstein, who once created the famous character Jimmy Gold and hasn't released anything since Morris is livid not just because his favorite writer has stopped publishing but because Jimmy Gold ended up as a sellout. Morris kills his idol and empties his safe of cash, but the real haul is a collection of notebooks containing John Rothstein's unpublished work, including at least one more Jimmy Gold novel. Morris hides everything away: the money and the manuscripts, no one but Gold ever saw before being locked up for another horrific crime. But upon Morris's release thirty-five years later, he's about to discover that teenager Pete Saubers has already found the stolen treasure, and no one but former police detective Bill Hodges, along with his trusted associates Holly Gibney and Jerome Robinson, stands in the way of his vengeance. Not since *Misery* has Stephen King played with the notion of a reader and murderous obsession filled with nail-biting suspense that's the hallmark of his best work. Publishers Weekly

Bellman the young blind girl whose aunt did not survive the time rip has the greatest insight of all A spine tingling propulsive novella *The Langoliers* is a brilliant read from the masterful Stephen King *Surviving Stephen King* Rebecca Frost,2021-10-22 Stephen King frequently places his human characters in danger against a supernatural antagonist These characters being realists of the late 20th and early 21st centuries must first overcome their disbelief at what is happening to them and then decide what to do about it Both their explanations for the strange happenings and their attempts to deal with them can be divided into four main categories cultural appropriation Christianity especially Catholic rites attempts at utter destruction and a resignation to simply live or die with the supernatural intact This book examines over 30 of King s works revealing that the overall success of the characters in removing the supernatural threat from their towns or perhaps defeating it entirely does not depend fully on which of these four paths of action they choose It is possible for any attempt to destroy the supernatural threat to fail and what works in one of King s books will not have the same outcome in another For King the most likely success comes when his characters can choose a course of action that allows them to stand and be true to themselves **Fault on Both Sides** Richard Cunliffe,2022-04-11 Jimmy Harris is back and his life is spiralling out of control Compelled to decide between two beautiful women he manages to alienate them both His career is in ruins too following a fracas at the car dealership where he had been in contention to become top salesman And Jimmy s ideas about starting a dealership of his own have also hit trouble now that his best mate and business partner has got cold feet It s just as well then that our hero has won millions playing the lottery With all that money allied to his natural charm and guile surely he ll soon have his life back together Or will he Might Jimmy actually make things worse as only he can **Fault on Both Sides** is the concluding episode in the Jimmy Harris story and describes Jimmy s roller coaster ride to put right the things he did wrong in his earlier adventure *All These Nearly Fights* **The Quest for the Dark Tower** Alissa Burger,2021-03-22 A sprawling epic that encompasses many worlds parallel and alternate timelines and the echoes between these disconnects Stephen King s Dark Tower series spans the entirety of King s career from *The Gunslinger* limited edition 1982 revised in 2003 to *The Wind Through the Keyhole* 2012 The series has two distinctive characteristics its genre hybridity and its interconnection with the larger canon of King s work The Dark Tower series engages with a number of distinct and at times dissonant genre traditions including those of Arthurian legend fairy tales the fantasy epic the Western and horror The Dark Tower series is also significant in its cross references to King s other works ranging from overt connections like characters or places to more subtle allusions like the sigil of the Dark Tower s Crimson King appearing in the graffiti of other realities This book examines these connections and genre influences to consider how King negotiates and transforms these elements why they matter and the impact they have on one another and on King s work as a whole
