The Fault at the Center Sharon Rybak Portugal, 2002-04-09 The Fault at the Center is a candid lyrical coming of age novel that tells the story of Sandy Fischer an American girl growing up in the beautiful yet violence ridden Guatemala of the 1960s and 70s Sandy a resilient and very observant girl must face the many dilemmas emerging from the disintegration of her Jewish Catholic home Suddenly abandoned by their father and left to fend for themselves the four Fischer girls and their mother no longer have a safe and clear place in their adopted homeland While still perceived as expatriates as gringas the Fischers must do their best to find their way in local society Little by little Sandy finds herself adapting to the prim Catholic seemingly safe world of señoritas But what is the price particularly for a girl growing into womanhood of belonging in such a rigid and fearful world of forcing oneself not to fully register the violence that is steadily intensifying in the country And given a choice will Sandy leave her adopted homeland or stay The Fault at the Center is at the same time an invention and a memoir a reflection upon the narrator's own distant near relationship with her Guatemalan past
