Mullins Organisational Behaviour 9th Edition:

Management and Organisational Behaviour Laurie J. Mullins, 2010 Presenting a managerial approach to the study of organisational behaviour with an emphasis on improving working performance through a better understanding of human resources this book contains summaries review questions and assignments

Organization Behaviour for Leisure Services Darren Lee-Ross, Conrad Lashley, 2012-06-14 Organization Behaviour for Leisure Services provides the reader with the conceptual tools necessary for analysing organizational behaviour in the context of hospitality leisure and tourism provision and understanding events in order to take appropriate management action Taking the view that leisure services involve an array of industry sectors they are related for instance to work time spent eating drinking and staying away from home as well as the more obvious recreational pursuits the text uses examples and case studies from a wide range of international businesses such as hotels restaurants museums shopping malls and sports stadia Specific examples used are from Marriotts McDonald s Trafford Centre and many more With a user friendly structure and style the text is an ideal introduction to the fundamental issues involved perfect for students and managers alike This book discusses and questions a number of key elements including The individual and the organization Groups in the organization Organizational structures and behaviour Management within the organization Commercial hospitality leisure and tourism in a service context There is a Tutor Resource pack available to lecturers who adopt this text Accredited lecturers can request access to download this material by going to <http://books.elsevier.com/academic/defaultmanuals.asp> to request access

Organizational Behaviour Ray French, 2011 This new edition builds on the strengths and successes of the first edition and has been fully updated to reflect changes in the world of work following the global financial crisis The authors combine a managerial approach focusing on practical real world applications with a rigorous critical perspective that analyses the research behind the theories The text addresses alternative theoretical perspectives in parallel to the introduction of new worldwide cases and examples New pedagogical features such as the Ethical Dilemma and Critical Thinking boxes reinforce the critical approach The concise coverage of the core topics can be applied to both one semester and year long teaching and learning patterns

Managing and Leading People through Organizational Change Julie Hodges, 2025-08-03 Change in organizations is all about people it is people who plan prepare for and implement change and who are affected by it in the daily course of their work However there is a tendency to focus on the more technical and quantifiable aspects of implementing organizational change programmes whilst ignoring the complex ways that these will impact individuals Providing an evidence based analysis of change in organizations Managing and Leading People Through Organizational Change is written for senior practitioners responsible for change programmes and postgraduate students of organizational change This updated edition demonstrates the importance of understanding the impact of developing technologies including AI as well as how best to implement sustainability and inclusion in the workplace With new material on individual wellbeing and the impact of hybrid

working this book sets out frameworks practical approaches and recommendations for communicating with and leading individuals teams and organizations through change Full of exercises interviews and real world examples from across the globe this book is an essential resource for leaders and students enabling them to achieve sustainable benefits of change at work

Managing Public Services - Implementing Changes Tony L. Doherty, Terry Horne, Simon Wootton, 2014-01-03 The work of a manager in a service

organisation is not the same as the work of a manager in an organisation that manufactures goods Managing Public Services Implementing Changes A Thoughtful Approach 2e is for students and managers who intend to work in a service organisation whether it is owned publicly or privately This book concentrates on how managers can change things for the better and explains why as well as how The second edition has been fully updated to address challenges facing public services with new material on managing cuts managing risk managing innovation producing funding applications Lean Management and process review A new chapter on managing social enterprise and generating social capital has also been added This text is both solidly practical and theoretically challenging and is supported by strong pedagogical features including case studies and illustrative vignettes from public service managers working in Europe Asia Australia and the US exercises and review questions Students will develop learning skills that enable them to transfer their learning from one situation to another and thinking skills that enable them adapt the way that they apply their learning as circumstances change This comprehensive text has been specifically designed and developed to meet the needs of students studying public services management at undergraduate and postgraduate level It allows the reader to develop transferable skills in thinking and learning as they work through the book and gives greater awareness of the benefits of continuous learning for staff and managers

Leadership in Health Care Jill Barr, Lesley Dowding, 2012-02-21 Leadership in Health Care has established itself as an authoritative yet accessible resource for nursing and professions allied to health Students as well as professional leaders working in practice who need a clear and engaging guide to the key theories and practice skills required for effective leadership in health care will benefit from this text Now revised and updated into a second edition the book retains its successful approach of looking at leadership theory from an individual team and organisational perspective and continues to focus on major areas such as problem solving dealing with conflict unhealthy behaviours and notions of quality diversity and individual values This new edition however responds to recent political changes in health care with the inclusion of two new chapters on interprofessional working and on emotional intelligence The authors have also taken the opportunity to focus more clearly on service users and take forward the concept of project management The book's ability to bridge the gap between theory research and practice is one of the reasons why it is so highly regarded To strengthen this key feature more case studies activities and self evaluation exercises have been integrated into the existing range of practical material so that readers have further opportunities to analyse their own self knowledge and leadership skills

South African Human Resource Management Ben Swanepoel, Barney Erasmus, Heinz Schenk, 2008 Book Strategising designing and planning as preparatory HRM work Sourcing work talent Facing the country's people empowerment challenge Meeting the reward and care challenge Handling labour and employee relations challenges Championing change and transformation Managing HRM related information including HRM and sustainability reporting Based on most recent theoretical developments the emphasis is on the practical applications Samples of relevant documents are included and an accompanying CD contains a wealth of

relevant resources as well as a continuing integrating case study that serves as a basis for these applications and individual and group activities As a package South African Human Resource Management will be extremely valuable to both current and aspirant managers and human resource practitioners
