Music Artist Management Manual Zhaimiore:

This Business of Artist Management Xavier M. Frascogna, Jr., H. Lee Hetherington, 2004-11-01 This authoritative reference on artist management in the music industry is the standard for all phases of managing a musician's career from both the artist's and manager's point of view. This substantially updated edition covers the major changes that have transformed the business world and music industry over the past six years. Particular emphasis is given to the impact of the Internet including the MP3 controversy and its lingering ramifications, copyright licensing on the Web, navigating trade identity issues on the Net, domain names and the high tech fight against cyberpiracy. Included are real world examples as well as new interviews with top booking agents, personal managers, concert promoters, record company executives, road managers and artists. For aspiring and professional managers in the music entertainment field as well as musicians, music publishers and record company personnel. Winner of the prestigious ASCAP Deems Taylor Award for excellence in music publishing. This replaces 0 8230 7705 5 which sold more than 25 000 copies. Artist Management for the Music Business Paul Allen, 2022-03-20 Anyone managing an artist's career needs to be well versed and have a savvy understanding of the moving parts of the music business. Learn how and why those moving parts move as well as how to manage and navigate a music based career. *Artist Management for the Music Business* gives a comprehensive view of how to generate income through music and how to strategically plan for future growth. The book is full of valuable practical insights. It includes interviews and case studies with examples of real world management issues and outcomes. Updates to this new edition include a new chapter for independent self managing artists, expanded and updated sections on networking, social media and streaming and a basic introduction to data analytics for the music business. This book gives access to resources about artist management and the music business at its companion website www.artistmanagementonline.com. *Managing Your Band* Steve Marcone, Dave Philp, 2021-06-24 *Managing Your Band: A Guide to Artist Management* is your go to guide for artist management in the new music industry, especially independent artists taking the DIY route. Industry insiders Steve Marcone and Dave Philp tackle the work and knowledge required of an artist manager and band member focusing on earning revenue from an artist's three major revenue streams: songwriting and publishing, live performance and recording. The book investigates the roles of the many industry intermediaries, illustrating how many of today's artists, including DIY artists, function as their own entertainment companies. This seventh edition includes updated information for the twenty first century artist and manager, including key information on the impacts of COVID 19 on the industry. New sections and chapters include: The twenty first century DIY manager, The live ecosystem, Music publishing, Social media, Analytics offered by streaming services. Each chapter includes learning objectives, a summary and suggested projects for course usage.
