Muhammad's example justifies jihad and terrorism. The real Satanic verses incident, not the Salman Rushdie version that remains a scandal to Muslims. How Muhammad's faulty knowledge of Judaism and Christianity has influenced Islamic theology and colored Muslim relations with Jews and Christians to this day. Recognizing the true nature of Islam. Spencer argues is essential for judging the prospects for large-scale Islamic reform, the effective prosecution of the War on Terror, the democracy project in Afghanistan and Iraq, and immigration and border control to protect the United States from terrorism. Does God Hate Women? Ophelia Benson, Jeremy Stangroom, 2009-07-21. This book explores the role that religion and culture play in the oppression of women. Ophelia Benson and Jeremy Stangroom ask probing questions about the way that religion shields the oppression of women from criticism and why many Western liberals, leftists, and feminists have remained largely silent on the subject. Does God Hate Women explores instances of the oppression of women in the name of religious and cultural norms and how these issues play out both in the community and in the political arena. Drawing on philosophical concerns such as truth relativism, knowledge, and ethics, Benson and Stangroom assess the current situation and provide a rallying call for a progressive politics that is committed to universal values. This book will appeal to anyone interested in issues of global justice, human rights, and multiculturalism.

[Fear God and the Shadow of the Muslim Sword](#) Mr. Pat, 2008-06-19. Fear God and the Shadow of the Muslim Sword is a study of Islam and the men leading it in the twenty-first century. I am neither a preacher nor a politician; I am an author caught up in a sensitive subject. Most secular societies are unfamiliar with this book. It is a rational explanation without bias. It is based on both historical fact and books written by modern Muslim leaders themselves. It is not an attack on the religion based on personal agenda. My research told a different story than what has become common on the editorial pages of American newspapers and contradictory to what the leaders of the American Muslim community are saying. The fact, however, is that with limited exceptions, the term moderate is not compatible when used in a sentence with the word Islam, except to describe what Islam is not. Challenge me if you will, but put rhetoric aside and research your own beliefs first. Islam is a revolutionary doctrine and system that overturns governments. It seeks to overturn the whole universal social order and to establish its structure anew. Islam seeks the world. It is not satisfied by a piece of land but demands the whole universe. Jihad is at the same time offensive and defensive. The Islamic party does not hesitate to utilize the means of war to implement its goal. Sayyid Abdul Ala Mawdudi, Jihad in Islam. This Pakistani Islamic Leader, Teacher, Author, died in Buffalo, New York.
