Lipschutz, 2001-10-16 As memories of the Cold War recede it becomes more and more difficult to remember what it was about and why it evoked such feelings of intensity and fatalism Fortunately we have a gold mine of movies and novels to help us recall why an entire generation of Americans grew up ducking under school desks in air raid drills and stocking the family bomb shelter Cold War Fantasies retrieves those times based on the idea that a nation's history self concept and collective anxiety are reflected in popular culture In Cold War Fantasies Ronnie Lipschutz combines an historical account of foreign and domestic politics from 1945 to 1995 with summaries and analyses of thirty novels and films contemporaneously published and produced Lipschutz rejects the standard line on the Cold War and critically examines the impacts and effects of language and images on politics Viewing those films and reading those novels enables the reader to come away with a clearer sense of how people felt during the Cold War period about themselves about the enemy and

Cold War years describing its effect in redrawing the electoral map as we came to know it after World War II The primary beneficiaries of the altered landscape were reinvigorated Republicans who emerged after five successive defeats to tar the Democrats with the soft on communism epithet A new nationalist Republican party whose Cold War prescription for winning the White House was copyrighted to Dwight Eisenhower Richard M Nixon Barry Goldwater and Ronald Reagan attained primacy in presidential politics because of two contradictory impulses embedded in the American character a fanatical preoccupation with communism and a robust liberalism From 1952 to 1988 Republicans won the presidency seven times in ten tries The rare Democratic victors John F Kennedy Lyndon B Johnson and Jimmy Carter attempted to rearm the Democratic party to fight the Cold War Their collective failure says much about the politics of the period Even so the Republican dream of becoming a majority party became perverted as the Grand Old Party was recast into a top down party routinely winning the presidency even as its electoral base remained relatively stagnant In the post Cold War era Americans are coming to appreciate how the fifty year struggle with the Soviet Union organized thinking in such diverse areas as civil rights social welfare education and defense policy At the same time Americans are also more aware of how the Cold War shaped their lives from the duck and cover drills in the classrooms to the bomb shelters dug in the backyard when most Baby Boomers were growing up Like millions of Baby Boomers Bill Clinton can truthfully say I am a child of the Cold War With the last gasp of the Soviet Union Baby Boomers and others are learning that the politics of the Cold War are hard to shed As the electoral maps are being redrawn once more in the Clinton years landmarks left behind by the Cold War provide an important reference point In the height of the Cold War voters divided the world into us noncommunists versus them communists and reduced contests for the presidency into battles of which party would be tougher in dealing with the Evil Empire But in a convoluted post Cold War era politics defies such simple characteristics and presidents find it harder to lead Recalling how John F Kennedy could so easily rally public opinion an exasperated Bill Clinton once lamented Gosh I miss the Cold War
