The Preacher and Homiletic Monthly, 1878 *The Ministry of the Word*, Vol. 22, No. 11 Various Authors, 2018-11-01
This issue of *The Ministry of the Word* contains the first nine messages given during the fall 2002 term of the full time training in Anaheim California The general subject of this series of messages is Christ and the Church in the Psalms These messages are the continuation of the unveiling of the economy of God concerning Christ and the church in the Psalms Four words summarize the central thought of the book of Psalms Christ house city and earth The Psalms reveal Christ as a church loving church building and church supplying Christ As the great Shepherd of the sheep He leads us into the church the house of God and we enjoy God in the house of God The church as the house needs to be strengthened and enlarged to become the city which signifies the kingdom where God the King rules with His authority **Metropolitan Pulpit and Homiletic Monthly**, 1879 **The Evangelist and the Impresario** Kathryn J. Oberdeck, 1999 What is culture and who has the authority to define it If culture is comprised of hierarchies who determines what their standards should be and how What are the stakes involved in conceiving some forms of culture as good and others as bad These may sound like questions from late twentieth century American culture wars but they were already in vigorous dispute a century ago In *The Evangelist and the Impresario* Kathryn Oberdeck explores how a broad range of Americans addressed these questions at the vibrant intersection of religion vaudeville and class politics at the turn of the twentieth century *The Evangelist and the Impresario* focuses on the intriguing careers of two remarkable public figures Irish born socialist Alexander Irvine and Italian American entertainment mogul Sylvester Poli Using these two characters as tour guides Oberdeck leads readers through a period of upheaval in America s intellectual history when religion and entertainment combined to produce critical cultural debate The narrative follows Irvine s career as Protestant minister socialist activist popular author and vaudeville actor and Poli s success as a theatrical entrepreneur with a circuit of East Coast vaudeville houses Examining the varied connections the two men made across the Atlantic and the United States Oberdeck traces the way Irvine drew on the formulas and themes of Poli s entertainment world to develop novel popular approaches to evangelism and class politics As both men sought audiences across lines of class as well as race ethnicity and gender the author contends their careers demonstrate how these intersecting dimensions of social difference informed definitivedebates about cultural standards among ordinary Americans Irvine Poli and their audiences in theater religion and working class politics pondered these differences in ways that helped to reformulate cultural hierarchies of Protestant uplift and Darwinian struggle into concepts of cultural pluralism Thus far from simply recounting biographies Oberdeck traces cultural trajectories mapping alliances that shaped the careers of two men whose engagement with popular audiences helped to transform intellectual arguments taking place in the twentieth century public sphere By charting connections across their converging paths this stimulating book shows how Irvine Poli and the communities they addressed challenged the cultural vocabularies of class distinction in their era In the process it reveals

how entertainment audiences trade unionist churchgoers working class mothers and immigrant thespians along with cultural elites helped to shape the terms of twentieth century cultural debate *Publications 1-12: Tweedie, W.K., ed. Theodore Roosevelt Kathleen Dalton, 2007-12-18 He inherited a sense of entitlement and obligation from his family yet eventually came to see his own class as suspect He was famously militaristic yet brokered peace between Russia and Japan He started out an archconservative yet came to champion progressive causes These contradictions are not evidence of vacillating weakness instead they were the product of a restless mind bent on a continuous quest for self improvement In Theodore Roosevelt historian Kathleen Dalton reveals a man with a personal and intellectual depth rarely seen in our public figures She shows how Roosevelt's struggle to overcome his frailties as a child helped to build his character and offers new insights into his family life uncovering the important role that Roosevelt's second wife Edith Carow played in the development of his political career She also shows how TR flirted with progressive reform and then finally committed himself to deep reform in the Bull Moose campaign of 1912 Incorporating the latest scholarship into a vigorous narrative Dalton reinterprets both the man and his times to create an illuminating portrait that will change the way we see this great man and the Progressive Era **The Church of Scotland Home and Foreign Mission Record** Church of Scotland, 1892
