13 Minutes Sarah Pinborough, 2016-02-18 A totally gripping twisty psychological thriller from the amazing author of *Behind Her Eyes* now a major Netflix series I was dead for 13 minutes I don't remember how I ended up in the icy water but I do know this it wasn't an accident and I wasn't suicidal They say you should keep your friends close and your enemies closer but when you're a teenage girl it's hard to tell them apart My friends love me I'm sure of it But that doesn't mean they didn't try to kill me Does it 13 MINUTES is a gripping psychological thriller about people's fears manipulation and the power of the truth A stunning read it questions our relationships and what we really know about the people closest to us Readers can't put down 13 Minutes A brilliantly constructed YA crime novel and psychological thriller that has some incredibly fascinating characters as addictive as chocolate Goodreads reviewer An excellent and thought provoking story of just how hard it is growing up in these modern times of texting facebook cell phones and the complexity of coming of age Goodreads reviewer What struck me most about 13 Minutes was the dark gritty toxic reality of female friendships displayed here I enjoyed the way Pinborough chose to write this novel It added a great deal of suspense allowing for a more twisty novel and even some great unreliable narrator moments Goodreads reviewer I was left breathless and a little shaken after I finished this book feeling like I had just stepped off the world's scariest roller coaster 13 Minutes was something else This is Sarah Pinborough at her best Goodreads reviewer This was just such an emotional and thrilling read with more than just school drama The characters were deep and felt real and I'd thoroughly recommend this book Goodreads reviewer This novel was so gripping and intriguing that I just couldn't stop reading Goodreads reviewer

her postsepsis condition can cause hallucinatory side effects which means she can't fully trust her own senses Freddie doesn't notice anything odd and is happy with their chance at a fresh start Emily however starts to believe that the house is being haunted by someone who was murdered in it though she can find no evidence of a wrongful death As bizarre events pile up and her marriage starts to crumble Emily becomes obsessed with discovering the truth about Larkin Lodge But if the house has secrets so do Emily and her husband And they live here now The Traitor's Gate Sarah Pinborough, 2017-03-30 It's Christmas time and Finmere Tingewick Smith Fin to his friends is back in Orrery House with Christopher one of his two best friends They're there for the Initiation of the new Knights of Nowhere The boys have tried to find some normalcy after their recent adventures but they're badly missing Joe He's stuck in the Nowhere guarding two of the Five Eternal Stories that weave all the worlds together they're held inside his own body In the Somewhere Christmas is a time of glad tidings and gifts and goodwill Christmas trees carols and the celebration of good things But there is no Christmas in the Nowhere and in both worlds things are not as settled as they look for Justin Arnold Mather is getting ready to make his move In the Nowhere something is moving through the streets attacking people random victims and leaving them mad and disfigured And in Orrery House a tiny crack has appeared in the Prophecy table The Prophecy is coming alive The battle lines will be drawn between even the closest of friends for the fight is on The Dark King is rising **Twice Cursed: An Anthology** Neil Gaiman, Joe Hill, Sarah Pinborough, M.R. familiar and from that moment on Fin is catapulted into an extraordinary adventure Through the Doorway in Fin's London a hole in the boundaries of Existence lies another London and now both are in grave danger For the Knights of Nowhere have kidnapped the Storyholder the keeper of the Five Eternal Stories which weave the worlds together Because of the Knights actions a black storm is coming bringing madness with it Fin may be just 16 but he has a long dark journey ahead of him if he is to rescue the Storyholder and save Existence
