1587 A Year Of No Significance The Ming Dynasty In Decline:

1587, a Year of No Significance Ray Huang, 1981-01-01 Creates a portrait of the world and culture of late imperial China by examining the lives of seven prominent officials and members of the Ming ruling class **1587, a year of no significance** Ray Huang, 1978 *Imagined Civilizations* Roger Hart, 2013-08-15 Roger Hart debunks the long held belief that linear algebra developed independently in the West Accounts of the seventeenth century Jesuit Mission to China have often celebrated it as the great encounter of two civilizations The Jesuits portrayed themselves as wise men from the West who used mathematics and science in service of their mission Chinese literati official Xu Guangqi 1562 1633 who collaborated with the Italian Jesuit Matteo Ricci 1552 1610 to translate Euclid's Elements into Chinese reportedly recognized the superiority of Western mathematics and science and converted to Christianity Most narratives relegate Xu and the Chinese to subsidiary roles as the Jesuits translators followers and converts *Imagined Civilizations* tells the story from the Chinese point of view Using Chinese primary sources Roger Hart focuses in particular on Xu who was in a position of considerable power over Ricci The result is a perspective startlingly different from that found in previous studies Hart analyzes Chinese mathematical treatises of the period revealing that Xu and his collaborators could not have believed their declaration of the superiority of Western mathematics *Imagined Civilizations* explains how Xu's West served as a crucial resource While the Jesuits claimed Xu as a convert he presented the Jesuits as men from afar who had traveled from the West to China to serve the emperor War, Trade and Piracy in the China Seas (1622-1683) Weichung Cheng, 2013-05-13 Approaching its demise the Ming imperial administration enlisted members of the Cheng family as mercenaries to help in the defense of the coastal waters of Fukien Under the leadership of Cheng Chih lung also known as Nicolas Iquan and with the help of the local gentry these mercenaries became the backbone of the empire's maritime defense and the protectors of Chinese commercial interests in the East and South China Seas The fall of the Ming allowed Cheng Cheng kung alias Coxinga and his sons to create a short lived but independent seaborne regime in China's southeastern coastal provinces that competed fiercely if only briefly with Spanish Portuguese Dutch and English merchants during the early stages of globalization A Modern Poetics of Biography Zhengrun Yang, 2025-09-02 This book provides a comprehensive study of biography to summarize the standard forms as well as a range of peripheral and expanded forms of autobiography Discussion and analyses to be done at three levels namely ontology typology and writing It is drawn from local and international theories in biography in addition to related disciplines in particular for those of the twentieth century and summarizing the experiences of the writing of classics in both Chinese and Western biographical history the study establishes a theoretical system of biography This book can serve as a useful reference for postgraduate students and professional readers who are interested in biographical research The Palgrave Encyclopedia of Urban Literary Studies Jeremy Tambling, 2022-10-29 This encyclopaedia will be an indispensable resource and recourse for all who are thinking

about cities and the urban and the relation of cities to literature and to ways of writing about cities Covering a vast terrain this work will include entries on theorists individual writers individual cities countries cities in relation to the arts film and music urban space pre early and modern cities concepts and movements and definitions amongst others Written by an international team of contributors this will be the first resource of its kind to pull together such a comprehensive overview of the field City of Heavenly Tranquility Jasper Becker,2008 A tour de force by journalist Becker this book explores how and why the Chinese buried their history and destroyed one of the world s most fabled cities virtually extinguishing the culture of one of the greatest and oldest civilizations within the span of a single lifetime *Asian Research Trends* ,1994

Confucian Studies Xinzhong Yao, Weiming Tu,2011 While having substantially declined in political and social influence Confucianism was revived by leading intellectuals so called Modern New Confucians in the twentieth century to deal with perennial problems facing modern people and society It is against this background that Confucian Studies has become an increasingly important subject taught in universities and colleges in North America Europe East Asia and Australia With more and more universities and colleges offering courses on or relating to Confucian philosophy ethics religion and politics this new collection from Routledge answers the urgent need for a source book in contemporary Confucian Studies **The Chinese Revolution in Historical Perspective** John E. Schrecker,1991-01-17 This introduction to the social political and intellectual history of China offers new perspectives as it analyzes two crucial and interrelated questions Schrecker proposes new approaches for conceptualizing and evaluating China s modern revolution and the long and often misunderstood Chinese past clarifying a topic made more complex because the West and Western ideas have played crucial roles in the revolutionary process The volume presents a concise history of China reinterprets the revolution and its relationship to the past and provides valuable insights into the problems of contemporary China It is of importance for the general reader and should be useful as a text in courses in Chinese comparative and world history **The Embodied Image** Robert E. Harrist, Wen Fong,1999 The Embodied image new perspectives on the beauty offers power and art of the written word in China Containing many never before published masterpieces from the third century to the modern period all from the premier John B Elliott Collection this volume accompanies the most comprehensive exhibition of Chinese calligraphy ever seen outside China Whether brushed on silk cast on bronze or engraved in stone Chinese calligraphy evokes the forces of nature promotes social ideals and asserts the creativity of individual artists Scholarly essays by distinguished Chinese and American scholars examine the complex relationships between calligraphy and religion poetry and literature The Embodied Image makes a landmark contribution to the understanding of Chinese calligraphy and civilization **Facts about China** Xiao-bin Ji,2003 With its rapidly growing economy and the world s largest population China is increasingly important on the international stage Providing a wealth of information on every aspect of China in an easy to use accessible format this up to date in depth reference tool presents substantive essays grouped in sections covering Geography Climate People Languages Systems of
