

0650 COMBINED SCIENCE

0650

Paper 3

maximum raw mark: 100

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arose from these discussions will be recorded in the published Report on the Examination.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the Report on the Examination.

The maximum marks for these components needed for various grades were previously published with these mark schemes, but are now instead included in the Report on the Examination for this purpose.

© IBE will not enter into discussion or correspondence in connection with these mark schemes.

UCLES is publishing the mark schemes for the November 2005 question papers for most IGCSE and GCE Advanced Level and Advanced Subsidiary level syllabuses and some Ordinary Level syllabuses.
