1000 Spanish Words in Context A Self Study Guide for Spanish Language Learners I have put together a comprehensive list of the 1000 most used words in Spanish with Spanish and English sentences Learning a language really takes time and effort Don t be fooled On going dedication really will get you through You can use this list to build up your knowledge of Spanish words It is a comprehensive list fully illustrated with examples of the words in English and Spanish to give you a good idea of how to use the word How to use this book The list here is long Is it too long No However you need to know how to use it properly to maximize your learning I recommend setting yourself achievable targets to make sure you stay on track with your learning You could aim to learn ten words or less if you wish a day Five in the morning and five for the afternoon with the evening to check you remember them all That may sound a lot to learn but consider all the times you have free when you could quickly learn a new verb For example on the bus waiting for the bus on the toilet when there are very few distractions during your lunch break when you wake up in bed when eating your breakfast just before you shower to practice in the shower when you are waiting for someone the list goes on and so do your opportunities to learn So don t be overwhelmed by learning a new language Set yourself small daily goals and time will fly Before you know it you will find yourself with an extensive vocabulary Finally I want to say that I will hopefully add to the book so check for updates If there s good demand and feedback I will offer more Good luck Alex Forero *The Software Encyclopedia 2000* Bowker Editorial Staff,2000-05
