

The background of the slide features a close-up, shallow depth-of-field photograph. In the upper right, a portion of a silver calculator is visible, with its buttons slightly out of focus. Below and to the left of the calculator, several coins are scattered on a surface. One coin in the foreground is a large, dark, reddish-brown piece, possibly a copper or bronze coin, which is in sharp focus. Behind it and to the right are several smaller, silver-colored coins. The surface they rest on appears to be a piece of paper or a document, with a faint line graph or chart visible in the background. The overall lighting is warm and soft, creating a professional yet approachable aesthetic.
