English Language Arts, Grade 6 Module 1 PCG Education, 2015-10-01 Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception, Blended learning experiences for teachers and leaders that enrich and extend the learning, A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

No More Fake Reading Berit Gordon, 2017-07-07 For middle and high school teachers, it's one of today's most vexing problems: How do you motivate students with varied interests and little appetite for classic literature to stop faking their way through texts and start advancing as skilled, engaged readers? Independent reading is an important part of the answer, but it's just that—a part of the whole. In this groundbreaking book, Berit Gordon offers the complete solution: a blended model that combines the benefits of classic literature with the motivational power of choice reading. With the blended model, teachers lead close examinations of key passages from classic texts, guiding students to an understanding of important reading strategies they can transfer to their choice books. Teachers gain a platform for demonstrating the critical reading skills students so urgently require, and students thrive on reading what they want to read. In this research-backed book, Gordon leads you step by step to classroom success with the blended model, showing the basics of getting your classroom library up and running, how to build a blended curriculum for both fiction and non-fiction units, keeping relevant

standards in mind Tips and resources to help with day to day planning Ideas for selecting class novel passages that provide essential cultural capital and bolster students reading skills Strategies for bringing talk into your blended reading classroom How to reach the crucial learning goal of transfer A practical user friendly approach for assessing each student s progress No More Fake Reading gives you all the tools you need to put the blended model to work for your students and transform your classroom into a vibrant reading environment Berit Gordon coaches teachers as they nurture lifelong readers and writers Her path as an educator began in the classroom in the Dominican Republic before teaching in New York City public schools She also taught at the Teachers College of Columbia University in English Education She currently works as a literacy consultant in grades 3 12 and lives in Maplewood New Jersey with her husband and three children [English Language Arts, Grade 6 Module 3](#) PCG Education,2015-11-24 Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6 12 to educators across the country Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require Paths to College and Career includes daily lesson plans guiding questions recommended texts scaffolding strategies and other classroom resources Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts At each grade level Paths to College and Career delivers a yearlong curriculum that develops all students ability to read closely and engage in text based discussions build evidence based claims and arguments conduct research and write from sources and expand their academic vocabulary Paths to College and Career s instructional resources address the needs of all learners including students with disabilities English language learners and gifted and talented students This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction and Student Journals that give students learning tools for each module and a single place to organize and document their learning As the creators of the Paths ELA curriculum for grades 6 12 PCG Education provides a professional learning program that ensures the success of the curriculum The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception Blended learning experiences for teachers and leaders that enrich and extend the learning A train the trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches Paths offers schools and districts a unique approach to ensuring college and career readiness for all students providing state of the art curriculum and state of the art implementation **Parallel Curriculum Units for Language Arts, Grades 6-12** Jeanne H.
