4. The poet's mother laughed at the snapshot. What did this laugh indicate?
5. What is the meaning of the line "Both wry with the laboured ease of loss."
6. What does "this circumstance" refer to?
7. The three stanzas depict three different phases. What are they?

Notes

Poems are included to heighten students' sensitivity to literary writing and to appreciate rhythm and sound patterns in language. Follow these steps:

- Read the poem aloud once without the students looking at the poem. Ask them a few general questions.
 - Re-read the poem with the students looking at the poem. Ask a few more questions to check comprehension.
 - Ask students to read the poem silently and answer the questions given, first orally and then in writing.
-
- The poem 'A Photograph' is placed after 'The Portrait of a Lady' because of the thematic relation between the two.
 - The questions seek to examine factual and inferential comprehension, establish empathy and draw attention to the structure of the poem and choice of words.
