500 Really Useful English Phrases Jenny Smith, 2018-02-21 This book is Volume 1 3 of the very popular series 150 Really Useful English Phrases Do You Feel Stuck in the Intermediate English Level Do you want to break out and start improving quickly Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently What made me want to write this book After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was Essentially intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed However what you need at the intermediate stage is not just more dry grammar and lists of vocabulary but to be exposed to as much real English in as many real life situations as possible This will help you start to understand what people are actually saying and not just textbook English It will also help you to naturally get a feel for the language Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself How will this book help you Every new phrase is introduced in the real context of a short story or an article So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study It's a simple fact that if you are having fun you will learn quicker and more easily This series of books is an excellent way to be exposed to real everyday English phrases but with the guidance of clear explanations and examples in simple English Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level All of the phrases in this book are in common use and are the key to unlocking fluency I have only included phrases which I have heard recently in conversation or on the radio or television If it is in this book it is in everyday use So if you are sick of being stuck and want to improve in a fun and engaging way please press the buy button on the top right of this page to get started today [500 Really Useful English Phrases](#) Jennifer Russell Smith, 2016 **Say it Better in English** Marianna Pascal, 2007 **The Last! 150 Really Useful English Phrases** Jenny Smith, 2018-02-21 Do You Feel Stuck in the Intermediate English Level Do you want to break out and start improving quickly Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently This is the third and final book in the very popular 150 Really Useful English Phrases series What made me want to write this book After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was Essentially intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed However what you need at the intermediate stage is not just more dry grammar and lists of vocabulary but to be exposed to as much real English in as many real life situations as possible This will help you start to understand what people are actually saying and not just textbook English It will also help you to naturally get a feel for the language Because I couldn't find a book that introduced everyday

English phrases in a fun and engaging way I decided to write one myself How will this book help you Every new phrase is introduced in the real context of a short story or an article So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study It s a simple fact that if you are having fun you will learn quicker and more easily This series of books is an excellent way to be exposed to real everyday English phrases but with the guidance of clear explanations and examples in simple English Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level All of the phrases in this book are in common use and are the key to unlocking fluency I have only included phrases which I have heard recently in conversation or on the radio or television If it is in this book it is in everyday use So if you are sick of being stuck and want to improve in a fun and engaging way please press the buy button on the top right of this page to get started today

150 Really Useful English Phrases Jenny

Smith,2018-02-21 Do you want to become more fluent in English Do you want to understand everyday language and not just textbook English I taught English for many years and saw that many students get stuck at the high beginner intermediate stage They learn the basics and then can t move forward This problem used to really frustrate me because I had lots of excellent students who were just stuck and eventually they would give up I thought for a long time about what was wrong and then decided that it wasn t that the student didn t have ability but that what they were studying and how they were studying was not effective I saw that even though they had good basic English they would read textbooks full of their native language not English I used to think why are they reading all this German etc about English and not just reading English instead I decided to see if I could fix this problem I started assigning students homework like watch this English drama with subtitles and then without or read a short article every night for a month I found the results were amazing My students started becoming much more fluent and confident This convinced me that the best way to become fluent was to read or watch real English that was interesting to the students So I started writing short stories using easy to understand English mixed with idioms and phrasal verbs that native English speakers use all the time In this book I have added explanations in English so you don t mix up English and German in your mind I have also included easy to understand examples which I recommend you note down in your notebook so you can remember them easily In my opinion learning idioms phrasal verbs and useful phrases is the best way to move your English forward as you will be using the vocabulary that English speakers use every day If you would like to become more fluent and understand everyday English phrases then get stated today and press the button on the top right
