

The 12 Elements of Great Managing

To identify the elements of worker engagement, Gallup conducted many thousands of interviews in all kinds of organizations, at all levels, in most industries, and in many countries. These 12 statements – the Gallup Q¹² – emerged from Gallup's pioneering research as those that best predict employee and workgroup performance.

1. I know what is expected of me at work.
2. I have the materials and equipment I need to do my work right.
3. At work, I have the opportunity to do what I do best every day.
4. In the last seven days, I have received recognition or praise for doing good work.
5. My supervisor, or someone at work, seems to care about me as a person.
6. There is someone at work who encourages my development.
7. At work, my opinions seem to count.
8. The mission or purpose of my company makes me feel my job is important.
9. My associates or fellow employees are committed to doing quality work.
10. I have a best friend at work.
11. In the last six months, someone at work has talked to me about my progress.
12. This last year, I have had opportunities at work to learn and grow.

12 The Elements Of Great Managing:

12: The Elements of Great Managing Gallup, James Harter, 2014-12-02 Based on the largest worldwide study of employee engagement and more than a decade of research Gallup explains the 12 elements essential to motivating employees and features the inspiring stories of 12 managers who succeeded in these dimensions More than a decade ago Gallup combed through its database of more than 1 million employee and manager interviews to identify the elements most important in sustaining workplace excellence These elements were revealed in the international bestseller *First Break All the Rules* *12 The Elements of Great Managing* is that book's long awaited sequel It follows great managers as they harness employee engagement to turn around a failing call center save a struggling hotel improve patient care in a hospital maintain production through power outages and successfully face a host of other challenges in settings around the world Gallup's study now includes 10 million employee and manager interviews spanning 114 countries and conducted in 41 languages In *12* Gallup weaves its latest insights with recent discoveries in the fields of neuroscience game theory psychology sociology and economics Written for managers and employees of companies large and small *12* explains what every company needs to know about creating and sustaining employee engagement

12 (Summary) James K. Harter, 2009 getAbstract Summary Get the key points from this book in less than 10 minutes The Gallup Organization has studied employment and management issues for decades Rodd Wagner and James Harter distill its findings into 12 pivotal concepts that managers can use to develop and keep great employees These range from creating strong teams to managing them so that they support corporate goals getAbstract lauds the way the authors illustrate their points with real life examples They show how and why managers implement each of the 12 factors which are usefully broken down into business cases The 12 principles are nicely interconnected Each one explains a way to provide employees with direct management support This means guaranteeing their loyalty to your firm by giving their jobs a context providing a culture that supports their friendships offering them clear career paths and creating opportunities for them to grow and develop as people and employees The authors explain why salary does matter but also why it is not the most crucial aspect of employee management They demonstrate how the worst managers view everything in financial terms whereas the best managers give of themselves to support their people Book Publisher Gallup Press

12 James K. Harter, 2006 *The Elements of Great Managing* is the long awaited sequel to the 1999 runaway bestseller *First Break All the Rules* Grounded in Gallup's 10 million employee and manager interviews spanning 114 countries follows great managers as they harness employee engagement to turn around a failing call center save a struggling hotel improve patient care in a hospital maintain production through power outages and successfully face a host of other challenges in settings around the world Author Jim Harter weaves the latest Gallup insights with recent discoveries in the fields of neuroscience game theory psychology sociology and economics Written for managers and employees of companies large and small explains what every company needs to know about creating and sustaining employee engagement
