Surprise Attack Larry Hancock, 2016-09-13 Surprise Attack explores sixty plus years of military and terror threats against the United States It examines the intelligence tools and practices that provided warnings of those attacks and evaluates the United States responses both in preparedness and most importantly the effectiveness of our military and national command authority Contrary to common claims the historical record now shows that warnings often very solid warnings have preceded almost all such attacks both domestic and international Intelligence practices developed early in the Cold War along with intelligence collection techniques have consistently produced accurate warnings for our national security decision makers Surprise Attack traces the evolution and application of those practices and explores why

such warnings have often failed to either interdict or intercept actual attacks Going beyond warnings *Surprise Attack* explores the real world performance of the nation's military and civilian command and control history exposing disconnects in the chain of command failures of command and control and fundamental performance issues with national command authority America has faced an ongoing series of threats from the attacks on Hawaii and the Philippines in 1941 through the crises and confrontations of the Cold War global attacks on American personnel and facilities to the contemporary violence of jihadi terrorism With a detailed study of those threats the attacks related to them and America's response a picture of what works and what doesn't emerges The attacks have been tragic and we see the defensive preparations and response often ineffective Yet lessons can be learned from the experience *Surprise Attack* represents a comprehensive effort to identify and document those lessons

Last Stands from the Alamo to Benghazi Frank Wetta, Martin Novelli, 2016-12-08 *Last Stands from the Alamo to Benghazi* examines how filmmakers teach Americans about the country's military past Examining twenty three representative war films and locating them in their cultural and military landscape the authors argue that Hollywood's view of American military history has evolved in two phases The first phase extending from the very beginnings of filmmaking to the Korean War projected an essential patriotic triumphalism The second phase from the Korean and Vietnam Wars to the present reflects a retreat from consensus and reflexive patriotism In describing these phases the authors address recurring themes such as the experience of war and combat the image of the American war hero race gender national myths and more With helpful film commentaries that extend the discussion through popular movie narratives this book is essential for anyone interested in American military and film history

The Benghazi Attack J.D. Rockefeller, 2016-01-06 If you have decided to read this book then you probably have heard about the Benghazi attack or you at least wanted to learn something about that incident It took place way back in 2012 when the Islamic militant attacked the diplomatic compound of America in Benghazi and killed many people including J Christopher Stevens who was the U S ambassador at that time not to mention those who were injured as well The said attack was then called the Battle of Benghazi as a second assault happened in a different compound Due to that incident United States increased security especially in the military as well as in diplomatic facilities worldwide Aside from that they also put effort in investigating it and discovering the root cause as well as the persons behind it Although the reports initially stated that the attack was a spontaneous one it was later determined as a planned one based on what the suspect named Ahmed Abu Khattala stated The Benghazi attack has also been made into several movies showing the different sides of the story and the story of different people who witnessed the said incident Some posted the thoughts that they have in mind while some decided to stick with the news Whatever it is there is no doubt that the public is focusing attention on this incident once again Although the incident happened way back in 2012 and although some people have covered it up it has been gaining the interest of the public again lately In fact some of the truths behind it are slowly showing up In case you wanted to know more about it then continue on reading the book

[Strategic Failure](#) Mark

Moyar,2015-06-23 In this timely and fascinating account of US military power in the era of Barack Obama a renowned historian with more than a decade inside the US Department of Defense reveals the true nature of the president's political legacy as his two terms in office draw to a close In stunning detail Mark Moyar illustrates how the mounting global catastrophes of Obama's second term are the direct result of the president's first term decisions to shrink US defense and replace large overseas military commitments with light footprints The rise of ISIS The Benghazi attack and murder of a US ambassador The growing threats of Russia China and Iran Moyar reveals how these and other tragic occurrences are the consequences of Obama's Withdrawal of US military in Iraq Rapid drawdown in Afghanistan Hands off policy with Syria Cuts to defense spending Reliance on drone strikes in Pakistan Yemen and Somalia Failure to deliver on his substitutes for military power Political self interest International image as a weak and passive leader Most disturbing according to Moyar's penetrating analysis is the clear message that Obama's military drawdown places all Americans at risk with conditions primed for future cataclysms at home and abroad Drawing upon the lessons of Obama's strategic failures Moyar identifies methods for recovering and strengthening US national security in the years and the administrations to come *Trust Betrayed*

Scott Taylor,2015-02-23 Ex Navy SEAL sniper Scott Taylor served his country for eight years Taylor finally came home after he was injured during Operation Iraqi Freedom Years later he became outraged when he discovered that the Obama administration was leaking sensitive intelligence information for political gain Now Scott Taylor is speaking out Having served as a sniper in the same region of Iraq as American Sniper author Chris Kyle Taylor knows first hand how high the stakes are From the bungling of Benghazi to the rise of ISIS the White House has betrayed the trust of American forces It's time President Obama and his administration were finally held accountable Fighting at the Legal Boundaries

Kenneth Watkin OMM, CD, QC,2016-05-03 Fighting at the Legal Boundaries offers a holistic approach towards the application of the various constitutive parts of international law The author focuses on the interaction between the applicable bodies of law by exploring whether their boundaries are improperly drawn or are being interpreted in too rigid a fashion Emphasis is placed on the disconnect that can occur between theory and practice regarding how these legal regimes are applied and interact with one another Through a number of case studies Fighting at the Legal Boundaries explores how the threat posed by insurgents terrorists and transnational criminal gangs often occurs not only at the point where these bodies of law interact but also in situations where there is significant overlap In this regard the exercise of the longstanding right of States to defend nationals including the conduct of operations such as hostage rescue can involve the application of human rights based law enforcement norms to counter threats transcending the conflict spectrum **Michael Bay** Lutz

Koepnick,2018-02-05 If size counts for anything Michael Bay towers over his contemporaries His summer defining event films involve extraordinary production costs and churn enormous box office returns His ability to mastermind breathtaking spectacles of action mayhem and special effects continually push the movie industry as much as the medium of film toward

new frontiers Lutz Koepnick engages the bigness of works like Armageddon and the Transformers movies to explore essential questions of contemporary filmmaking and culture Combining close analysis and theoretical reflection Koepnick shows how Bay s films knowingly or not address profound issues about what it means to live in the late twentieth and early twenty first centuries According to Koepnick s astute readings no one eager to understand the state of cinema today can ignore Bay s work Bay s cinema of world making and transnational reach not only exemplifies interlocking processes of cultural and economic globalization It urges us to contemplate the future of moving images of memory matter community and experience amid a time of rampant political populism and ever accelerating technological change An eye opening look at one of Hollywood s most polarizing directors Michael Bay illuminates what energizes the films of this cinematic and cultural force

Obama v. Trump Harrington Clodagh Harrington,2020-09-21 Examines how Trump s election as President signals a rollback of the Obama yearsEstablishes what can be regarded as Obama s legacy in both domestic and foreign policy Investigates how far the Trump administration up to the 2018 mid terms undoes Obama s legacy legacyFocuses on meaningful shifts in presidential priorities policy changes and the imprint of presidential leadershipCase studies on specific policy areas where presidential undoing has had a significant impact or has been thwarted such as health care reform and immigration policyIn 2008 in what seemed a seminal moment for the country s politics the United States elected an African American as President Yet eight years later in the form of Donald Trump the nation put in office a man who was the very antithesis of his predecessor This book determines what can legitimately be regarded as the legacy of the Obama presidency and investigates how far the Trump administration has reversed it The analysis is embedded in a historical context based on examination and scrutiny of how and how successfully presidents in the modern era have overturned the work of their predecessor when they have attempted to do so The authors focus on meaningful priority shifts policy changes and the imprint of presidential leadership providing a framework for assessing Obama s legacy which in turn affords context to a discussion of the Trump administration s capacity to fulfil its promise to reverse the direction taken by the Obama White House Looking beyond the noise and hyperbole the book examines how robust the Obama legacy has proved to be in the face of Trump s challenge

National Security Lies Tung Yin,2025-03-12 This thought provoking book details the national security lies told by presidents of the United States throughout history both to Congress and to the public Tung Yin explains how current laws do not set up sufficient prevention measures and proposes legislative reform to regulate such lies **The Secret Gate** Mitchell Zuckoff,2023-04-25 The incredible true story of a breathtaking rescue in the frenzied final hours of the U S evacuation of Afghanistan and how a brave Afghan mother and a compassionate American officer engineered a daring escape from the 1 New York Times bestselling author of 13 Hours Reads like a thriller The Secret Gate is a fast paced escape narrative but it is also a morally complex interrogation The Washington Post Best Books of the Year When the U S began its withdrawal from Afghanistan and the Afghan Army instantly collapsed Homeira Qaderi was marked for death at the hands of

the Taliban A celebrated author academic and champion for women s liberation Homeira had achieved celebrity in her home country by winning custody of her son in a contentious divorce a rarity in Afghanistan s patriarchal society As evacuation planes departed above Homeira was caught in the turmoil at the Kabul Airport trying and failing to secure escape for her and her eight year old son Siawash along with her parents and the rest of their family Meanwhile a young American diplomat named Sam Aronson was enjoying a brief vacation between assignments when chaos descended upon Afghanistan Sam immediately volunteered to join the skeleton team of remaining officials at Kabul Airport frantically racing to help rescue the more than 100 000 stranded Americans and their Afghan helpers When Sam learned that the CIA had established a secret entrance into the airport two miles away from the desperate crowds crushing toward the gates he started bringing families directly through personally rescuing as many as fifty two people in a single day On the last day of the evacuation Sam was contacted by Homeira s literary agent who persuaded him to help her escape He needed to risk his life to get them through the gate in the final hours before it closed forever He borrowed night vision goggles and enlisted a Dari speaking colleague and two heavily armed security contract shooters He contacted Homeira with a burner phone and they used a flashlight code signal borrowed from boyhood summer camp For her part Homeira broke Sam s rules and withstood his profanities Together they braved gunfire by Afghan Army soldiers anxious about the restive crowds outside the airport Ultimately to enter the airport Homeira and Siawash would have to leave behind their family and everything they had ever known The Secret Gate tells the thrilling emotional tale of a young man s courage and a mother and son s skin of the teeth escape from a homeland that is no longer their own

How to Justify Torture Alex Adams,2019-09-10 From Batman Begins to Tom Clancy How to Justify Torture shows how contemporary culture creates simplified narratives about good guy torturers and bad guy victims how dangerous this is politically and what we can do to challenge it If there was a bomb hidden somewhere in a major city and you had the person responsible in your custody would you torture them to get the information needed to stop the bomb exploding preventing a devastating terrorist attack and saving thousands of lives This is the ticking bomb scenario a thought experiment designed to demonstrate that torture can be justified In How to Justify Torture cultural critic Alex Adams examines the ticking bomb scenario in depth looking at the ways it is presented in films novels and TV shows from Batman Begins and Dirty Harry to French military thrillers and home invasion narratives By critiquing its argument step by step this short provocative book reminds us that despite what the ticking bomb scenario will have us believe torture can never be justified
