14th FEB: A LOVE STORY Veena C, 2011-04-01 14th February is Valentine's Day, a day dedicated for love. Love creates life, sustains life and transforms life, and one has to experience all this without which life has no meaning. The protagonist of this story, Sanjay, is the only son of a middle-class family in Chennai. He is studious and intelligent and is living a dream life, topping in his board examinations, studying at IIT and getting to the magical paradise of America for a bright future. The only thing that has eluded him in this journey is true love, for which he craves, and when he thinks he has met the woman of his dreams and he has everything in life, his world collapses as he is condemned as an introvert, predictable and a boring guy, and his partner leaves him. That changes his life forever and he becomes depressed. He heads back to his hometown, a decision that makes him understand the tough realities of life. Now having returned from America, Sanjay finds himself mercilessly condemned and ridiculed by his own fellowmen. The mentality of the people pushes him into further depression, and he becomes a recluse. That's when an angel walks into his life, transforms him and leads him to all the good things in life. He falls in love, and on Valentine's Day, as he waits for his angel, he realises the value of this true love, the love that will last forever.

Legal Pluralism and Governance in South Asia and Diasporas Livia Holden, 2016-04-14 Legal Pluralism and Governance in South Asia and the Diasporas contributes to the already heated debate about legal pluralism and the ontology of law by shifting the attention toward the relationship between what is treated as law and its impact on governance at the fora of dispute resolution This book addresses sensitive issues such as gender rights and alternative dispute resolution in India Hindu and Muslim personal laws in South Asia and in Europe cross border white violence the change to Islamic legal traditions under Western domination women s inheritance in Pakistan and in the disputed territory of Gilgit Baltistan indigenous rights and resistance at the India Bangladesh border and customary laws of nomadic groups in India The authors deploy a variety of views that point at the pros and cons of legal pluralism and also integrates its opponents They show how constructions of identity religion and power have historically informed the conceptualisation of secularism which may be an ideal sometimes able to provide for perceptions of accountable governance but also generating dividing worldviews This book was published as a special issue of the Journal of Legal Pluralism and Official Law

Flexible India Shameem Black, 2023-12-19 Yoga has offered the Indian state unprecedented opportunities for global media savvy political performance Under Modi it has promoted yoga tourism and staged mass yoga sessions and Indian officials have proposed yoga as a national solution to a range of social problems from reducing rape to curing cancer But as yoga has gone global its cultural meanings have spiraled far and wide In Flexible India Shameem Black travels into unexpected realms of popular culture in English from India its diaspora and the West to explore and critique yoga as an exercise in cultural power Drawing on her own experience and her readings of political spectacles yoga murder mysteries court cases art installations and digital media

Black shows how yoga's imaginative power supports diverse political and cultural ends. Although many cultural practices in today's India exemplify culture wars between liberal and conservative agendas, Flexible India argues that visions of yoga offer a culture peace that conceals without resolving such tensions. This flexibility allows states, corporations, and individuals to think of themselves as welcoming and tolerant while still, in many cases, supporting practices that make minority populations increasingly vulnerable. However, as Black shows, yoga can also be imagined in ways that offer new tools for critiquing hierarchical structures of power and race, Hindu nationalism, cultural appropriation, and self-help capitalism.
