Science Citation Index, 1994 Vols for 1964 have guides and journal lists **Remand & Bail**, 1982 *Bail and Remand in Custody* National Association for the Care and Resettlement of Offenders, 1985 Factors Affecting Remand in Custody David Bamford, Sue King, Rick Sarre, Susan Therese King, 1999-01-01 Remand and Bail Decisions in a Magistrate's Court Prue Oxley, 1979 With this publication the Department of Justice's Research Series shifts away from its traditional emphasis on penology and moves into new ground how justice is achieved through the administration of judicial and legal processes The remand decision is one aspect of the judicial process where the lack of empirical knowledge regarding its practice is becoming more obvious as dissatisfactions with the practice are increasingly voiced The police are concerned about the abuse of bail by those who are released pending a court hearing whilst others argue that the principle of the presumption of innocence must be paramount The administration of justice is thus charged with seeing that the remand decision is a just one with ensuring that the discretion is exercised consistently and fairly in the interests of both the offender and the public Foreword A Study of Bail and Remand John Howard Society, *Bail Or Remand?* Dennis Owen Challenger, Australian Institute of Criminology, 1991-01-01
