Dalit Feminist Theory Sunaina Arya, Aakash Singh Rathore, 2019-09-09 Dalit Feminist Theory A Reader radically redefines feminism by introducing the category of Dalit into the core of feminist thought It supplements feminism by adding caste to its study and praxis it also re-examines and rethinks Indian feminism by replacing it with a new paradigm namely that caste based feminist inquiry offers the only theoretical vantage point for comprehensively addressing gender based injustices Drawing on a variety of disciplines the chapters in the volume discuss key themes such as Indian feminism versus Dalit feminism the emerging concept of Dalit patriarchy the predecessors of Dalit feminism such as Phule and Ambedkar the meaning and value of lived experience the concept of Difference the analogical relationship between Black feminism and Dalit feminism the intersectionality debate and the theory versus experience debate They also provide a conceptual historical empirical and philosophical understanding of feminism in India today Accessible essential and ingenious in its approach this book is for students teachers and specialist scholars as well as activists and the interested general reader It will be indispensable for those engaged in gender studies women's studies sociology of caste political science and political theory philosophy and feminism Ambedkar studies and for anyone working in the areas of caste class or gender based discrimination exclusion and inequality

Reclaiming economics for future generations Lucy Ambler, Joe Earle, Nicola Scott, 2022-01-25 Today's economies fail to recognise that we are in a rapidly worsening crisis reproducing and often worsening vast and harmful inequalities between people and countries The current models are unsustainable and at a time when global temperatures are rising and divides are deepening humanity is left in a rapidly worsening situation of its own making the destruction of the living world which will make large parts of the earth uninhabitable Without access to the knowledge skills or tools to build a better future local national and global economies will continue to fail to address the interlinked challenges of systemic racism inequalities faced by women the Covid 19 pandemic and the nature and climate emergency Across the world economics students are coming together under the banner of the student movement Rethinking Economics to create a better economics one which can help to create a world where all our children can flourish regardless of their gender background or birthplace Drawing on over sixty interviews with students and professionals from identities and backgrounds marginalised in economics and a wide range of global and historical research this book illustrates the ways in which the discipline is currently not fit for

purpose and sets out a vision for how it can be diversified decolonised and democratised The struggle to reclaim economics could not be more crucial our futures depend on it This book explains how it can be done **Collection Development**
