

Below are questions you should be able to answer from the material you learned throughout this semester. Please answer the questions in a different color ink/text. We will go over the questions each day up until the day of the final. Use the notes we have taken, PowerPoints, review guides, and worksheets to help you in answering the questions.

1. What is structuralism? very subjective type of psychology, relies on introspection to see a person's structure
2. What is functionalism? basically says the mind is a blank slate, the mind is a tool
3. What is the Humanistic Perspective? everyone can reach their full potential
4. What is the Psychoanalytic Perspective? past experiences and childhood
5. What is the Sociocultural Perspective? embracing society
6. What is the Cognitive Perspective? thinking and thinking processes
7. What is the Behaviorist Perspective? learned actions
8. What is the Biological Perspective? genetics
9. What is the scientific study of behavior and mental processes? psychology
10. What is the difference between a case study, naturalistic observation, and an experiment? A case study is deeper looking at 1-3 subjects. Naturalistic observation is watching and observing a subject without interjecting. An experiment is controlled with things needed to be solved.
11. Who established the first laboratory for the study of the mind? Wilhelm Wundt
12. What is introspection? looking into yourself and studying yourself for psychological investigation
13. What are the four goals of psychology? describe, explain, predict, and change
14. Why is it important that we replicate a study? It is important to make sure that we get accurate results
15. What is the survey method and how are they conducted? surveys are a list of questions and have criteria to follow
16. What are the elements of an experiment? they are manipulation, control, random assignment, and random selection
17. Explain the difference between a single and a double blind study. single blind study is where the participants don't know the outcome and a double blind is where both the participants and the collector are blind
18. Why are ethics important in psychology? It is important because without the ethics of experiments, people would exploit the fact they can do whatever they want. They would go through with the most unethical experiment, hurting the participant(s).
19. What is the difference between the Independent and the Dependent variable? The independent variable is the variable that you change and the dependent is the variable that you measure and gather data from.
20. What is the difference between experimental and control groups? The experimental group is the group being tested on and the control group is the group that is given the "normal" experience.
21. What is the placebo effect and why would it be harmful to a study? The placebo effect is telling someone that something does something it doesn't; you are gaslighting someone basically. It can be harmful in an experiment as it can change per person, giving varying results. It could even create problems for the participant or become irreversible.
22. What are the four stages of Piaget's development? sensorimotor, preoperational, concrete operational, and formal operational

Semester 1 Review Questions Pbworks

Anastasiades, Panagiotes S.

Semester 1 Review Questions Pbworks:

Blended Learning Environments for Adults: Evaluations and Frameworks Anastasiades, Panagiotis S., 2012-04-30 This book demonstrates the view that Information and Communication Technologies should not be considered as a neutral teaching medium but instead be implemented under pedagogical conditions aiming at the development of critical thinking through their creative integration into the social and cultural context

Semester 1 Review Questions Pbworks Introduction

In the digital age, access to information has become easier than ever before. The ability to download Semester 1 Review Questions Pbworks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Semester 1 Review Questions Pbworks has opened up a world of possibilities. Downloading Semester 1 Review Questions Pbworks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Semester 1 Review Questions Pbworks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Semester 1 Review Questions Pbworks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Semester 1 Review Questions Pbworks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Semester 1 Review Questions Pbworks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Semester 1 Review Questions Pbworks has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Semester 1 Review Questions Pbworks Books

1. Where can I buy Semester 1 Review Questions Pbworks books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
