The Lost Art of Closing Anthony Iannarino, 2017-08-08 Always be closing Glengarry Glen Ross 1992 Never Be Closing a sales book title 2014 salespeople everywhere 2017 For decades sales managers coaches and authors talked about closing as the most essential most difficult phase of selling They invented pushy tricks for the final ask from the take delivery close to the now or never close But these tactics often alienated customers leading to fads for the soft close or even abandoning the idea of closing altogether It sounded great in theory but the results were often mixed or poor That left a generation of salespeople wondering how they should think about closing and what strategies would lead to the best possible outcomes Anthony Iannarino has a different approach geared to the new technological and social realities of our time In The Lost Art of Closing he proves that the final commitment can actually be one of the easiest parts of the sales process if you ve set it up properly with other commitments that have to happen long before the close The key is to lead customers through a series of necessary steps designed to prevent a purchase stall Iannarino addressed this in a chapter of The Only Sales Guide You ll Ever Need which he thought would be his only book about selling But he discovered so much hunger for guidance about closing that he s back with a new book full of proven tactics and useful examples The Lost Art of Closing will help you win customer commitment at ten

essential points along the purchase journey For instance you ll discover how to Compete on value not price by securing a Commitment to Invest early in the process Ask for a Commitment to Build Consensus within the client s organization ensuring that your solution has early buy in from all stakeholders Prevent the possibility of the sale falling through at the last minute by proactively securing a Commitment to Resolve Concerns The Lost Art of Closing will forever change the way you think about closing and your clients will appreciate your ability to help them achieve real change and real results *The 100 Best Business Books of All Time* Jack Covert,Todd Sattersten,Sally Haldorson,2016-08-02 Thousands of business books are published every year Here are the best of the best After years of reading evaluating and selling business books Jack Covert and Todd Sattersten are among the most respected experts on the category Now they have chosen and reviewed the one hundred best business titles of all time the ones that deliver the biggest payoff for today s busy readers The 100 Best Business Books of All Time puts each book in context so that readers can quickly find solutions to the problems they face such as how best to spend The First 90 Days in a new job or how to take their company from Good to Great Many of the choices are surprising you ll find reviews of Moneyball and Orbiting the Giant Hairball but not Jack Welch s memoir At the end of each review Jack and Todd direct readers to other books both inside and outside The 100 Best And sprinkled throughout are sidebars taking the reader beyond business books suggesting movies novels and even children s books that offer equally relevant insights This guide will appeal to anyone from entry level to CEO who wants to cut through the clutter and discover the brilliant books that are truly worth their investment of time and money Freelancing 101 for Devs Juan Cruz Martinez,2023-04-01 Freelancer 101 for Developers is a practical guide written for developers who want to launch and grow a sustainable career working for themselves The book combines all the points I wish I had known when I started freelancing over 15 years ago It includes practical advice on how to define and build your business for scale Get a look at all of the content covered in the book Everything you need to know is inside Freelancing 101 for Devs comprises of 14 chapters tightly edited designed to teach you everything you need to know about starting growing and scaling your business Chapter 1 The Freelancer Mindset Chapter 2 Choosing Your Niche Chapter 3 Building Your Toolbox Chapter 4 Pricing Chapter 5 Lead Generation Chapter 6 Closing the Sale Chapter 7 Working with Clients Chapter 8 Handling Difficult Situations with Clients Chapter 9 The Freelancer Schedule Chapter 10 The Important but Boring Legal Stuff Chapter 11 Freelancing While Working Full Time Chapter 12 Embracing the Journey Chapter 13 What s Next Chapter 14 Bonus My Top Websites for Finding Freelance Work *Money on Meaning* Suresh Verghis,2024-10-14 Who says money is not important in life Of course it s important but if the making of it becomes an all consuming passion then it could result in the hollowing out of one s meaning and purpose in work and life Leaders may seek to do good as an expiation of guilt or seek to alleviate the multifarious problems we confront or for inner fulfilment There may be many ways to seek that meaning and the path that one chooses is one s alone But for those who seek the way forward Suresh Verghis book offers insights on how one can realise one s

meaning and motivations Vinay Kamath Senior Associate Editor The Hindu businessline Money is important but not everything how can one as a great leader balance it with a well founded purpose This requires huge investments in self across many dimensions Professor Verghis not only explicates these dimensions very skilfully but also facilitates through creating a personal log book that can transform you into a great leader Highly recommended and not to be missed by aspiring leaders Dr Suresh Srinivasan Distinguished Professor Great Lakes Institute of Management Chennai
