DeGeneres, 2016-09 Synopsis coming soon **Southerners Acting Southern** Tison Pugh, 2025-04-10 What is the difference between a star born in the South and a southern star In **Southerners Acting Southern** Tison Pugh answers this intriguing question pondering the ways in which some performers from the South metamorphose into southern stars by accentuating their geographic and cultural roots as key aspects of their star personas Many celebrities particularly actors seek to transcend their hometown roots in favor of achieving an all American appeal but some stars born in the South build their national and international fan base by emphasizing the southern aspects of their biography and by leaning into regional clichés and stereotypes that percolate throughout the U.S. cultural imaginary In turn some southern stars trot out the region's hoariest tropes of fading belles gullible country rubes and the succors of southern hospitality only to reveal the shallowness of these stereotypes and of their celebrity personas as well Covering more than one hundred years of cultural history **Southerners Acting Southern** allows readers to gauge the South's often reluctant progress into modernity including discussions on the intersection of race and celebrity for the region's Black stars and its increasing if hesitant embrace of queer ones Chapters feature a wide ranging selection of southern celebrities including Louis Armstrong Truman Capote Elvis Presley Tennessee Williams Andy Griffith Tina Turner Dolly Parton Tom Petty Gloria Estefan Oprah Winfrey Reese Witherspoon Jenna Bush Hager Ellen DeGeneres Tyler Perry Matthew McConaughey Aziz Ansari and Miley Cyrus **Southerners Acting Southern** moves from past to present from musicians to media personalities discerning the ways in which southernness contributes to the building of personal celebrity Altogether this luminous work of cultural criticism reveals that southern stargazing as much as it might initially appear a flighty pastime of overzealous fans divulges deeper truths about the South and the United States as a whole that might otherwise pass unnoticed *Ellen DeGeneres* Kelly

Summary of It Ends With Us by Colleen Hoover Peter Cuomo, A high quality summary of Colleen Hoover s book It Ends With Us including chapter details and analysis of the main themes of the original book About the original book Often the person who truly cares for you is the one who hurts you the most Lily hasn t always had it easy but she hasn t let that stop her from working hard to achieve the life she desires The little village in Maine where she grew up has a long way to go Graduated college and went into her own business in Boston where she lives now Everything in Lily s life appears almost too good to be true when she meets Ryle Kincaid a beautiful neurosurgeon When it comes to his demeanor Ryle may be abrasive and unyielding Additionally he is empathetic intelligent and has an undying affection for Lily And the fact that he looks so good in scrubs doesn t hurt either Lily can t stop thinking about him Nonetheless Ryle s utter rejection of partnerships is troubling However as Lily begins to break his no dating rule she is left to question what made him so adamant As she tries to come to terms with her new relationship thoughts of Atlas Corrigan begin to haunt her an emotional link to her past and a reminder of who she used to be Her soulmate her protector he was her best friend Lily s

relationship with Ryle is in jeopardy when Atlas emerges Colleen Hoover treads new ground as a writer with this heart wrenching narrative in this daring and intimate work A heartbreaking narrative of love s ultimate cost It Ends With Us has a fascinating love story and a cast of relatable people

Taking Comedy Seriously Jennalee Donian, 2018-12-31 This book explores stand up comedy as a relevant sociological phenomenon from a contemporary perspective as both a symptom of neoliberal capitalism and the locus specificus of socio political critique in the era of Empire It draws a feasible connection between the conspicuous rise in the art form s popularity over the past number of years and the dehumanizing and fracturing processes of the current dispensation that are increasingly becoming the defining experience of life in the contemporary era and to which understood in terms of the traditional humor theory of relief of which Sigmund Freud is key comedy serves as an obvious palliative More than this Taking Comedy Seriously Stand Up s Dissident Potential in Mass Culture in the Context of the Neoliberal Domain of Empire questions the possibility of a contemporary aesthetics of humor given that much of the art form is disseminated and controlled by the mass media and as such complicit in its work In particular it argues that the ideological situation of global capitalism poses an obvious predicament for the possibility of a socio politically efficacious stand up comedy in that ironic and skeptical distance is already characteristic of postmodern cynicism incorporated into the social fabric itself effectively rendering the comedic technique of satire synonymous with so called political comedy altogether appropriated or at least compromised and subsequently impotent From where then does a site of resistance emerge Through an analysis of a range of contemporary televisual digital and literary examples from the comedic routines of American comedian and talk show host Ellen DeGeneres South African satirist Pieter Dirk Uys and South African born and now American comedic talk show sensation Trevor Noah this book argues that a contemporary political comedy is reliant on a structuring aesthetic logic built around dissent disruption and difference

Ellen DeGeneres Biography: What Does it Take For a Gay to Succeed in the Entertainment Industry? Imagine the Life You'd Love to Live, Then Live It Peg Conley, 2014-11-17 Peg Conley has been an artist all her life but like many of us took a long detour into the working world where she was a corporate sales queen in Seattle with a lot of success and a happy busy family Art became the thing she did on vacations weekends and when she could carve time out of her busy life Something gnawed at her a nagging feeling that life might hold something else for her in the midst of it all Then came the big aha moment Peg heard a still small voice inside Imagine the life you want to live then live it It s that simple Her family encouraged Peg to pursue her passion Despite a great deal of fear Peg Conley did the thing she thought she could not do and dropped her big job big house and big life and moved to San Francisco to start a business based on her artisan stationery From a handful of

handpainted cards calendars and posters her company Words Watercolors was born and has been inspiring people winning awards and raking in the sales ever since Peg's intention with her work is to inspire and her art and writing all speak to life's great truths and those aha moments for which we all need reminders What do you imagine your Ideal Life to be It may take some time for it to unveil itself You will need to have an idea of what it is you are looking to create Spend some time in contemplation For some that means a quiet meditation where images might come to you For others you might write about something you've always had a longing to create or a dream that seemed far away and not attainable yet it doesn't go away The dream nudges at you asking you to pay attention Where words work for some people pictures work for others You may want to create a vision board Gather your old magazines and begin ripping out the pictures that appeal to you or draw your own images Your Ideal Life will come alive via the images that resonate with you Don't hesitate to pick up a pen pencil or crayons even and fill the blank pages with doodles of any kind Do you still think of becoming a nurse Don't be disheartened go online and research classes you can take at your local college to start the process As someone once said if you don't start now 5 years from now you still will be where you are but if you begin with baby steps in 5 years you could be in a completely different place So ask yourself the question What does the life I long to live look like Imagine it Draw it write it collage it and just plain dream it Believe you can have it and then go about creating it as you take daily steps towards becoming an enhanced version of yourself All successful people are big dreamers They imagine what their future could be ideal in every respect and then they work every day toward their distant vision that goal or purpose **Eat the Year** Steff
