Exodus 14:5-31 (read vs. 4-22) – “God Gives a Mighty Victory”

Intro. One of the most significant events in the Old Testament is this record of the final victory of the Lord over the Egyptians. It was one of the most remarkable miracles recorded in the Old Testament. It was this notable event which made such a great impression upon the consciences of the Lord. Rahab of Jericho said in Josh. 2:10, “For we have heard how the LORD dried up the water of the Red Sea for you when you came out of Egypt....” Then, 800 years afterwards the Lord says through Isaiah, “For I am the LORD your God, Who divided the sea whose waves roared— The LORD of hosts is His name” (Isa. 50:15). So, we need to recognize the importance of this event, and listen very carefully to its message.

The focus of this message will not be upon the unbelieving and complaining Israelites. It will not be upon the foolish & greedy Egyptians. It will not even be upon Moses, who had become a great man of faith. Rather, the real hero of this story is the Lord our God. So I believe my message today should focus upon Him, and the ways we should respond to Him.

First of all:

I. CONSIDER THE SALVATION OF THE LORD

The people of Israel certainly needed a great Savior. As we see from v.3, Pharaoh changed his mind about letting the Israelites go. So he mustered up his army, including 600 of his finest chariots, and pursued the people of Israel. At this point the Israelites had their backs to the sea, and then they saw in the distance the rapid advance of the dreaded force of chariots. Without a Great Savior, they were as much for the Egyptians. You can imagine what that number of chariots could do to a poor, helpless, defenseless people—especially the women, children and cattle. They were not prepared for battle. Thus, they were caught between the devil and the deep blue sea. So as Israel faced what seemed to be an impossible situation, they were gripped in fear, they cried out to the Lord in desperation, but then they complained about the situation they were in. But Moses had become a great man of faith by now, so he calmly said in v.13, “Do not be afraid. Stand still, and see the salvation of the LORD, which He will accomplish for you today.” Let’s obey that command this morning, and see how the LORD saved Israel, and then, by way of application, I will show you the salvation that He has wrought for us.

So notice how God saved them. First:

A. God Saved Israel with His Protection – The pursuers had been coming whirling along at full speed, and would soon have been among the disorderly mass, dealing destruction. Furthermore, it would take some time to get 2 million people to cross over to the other side of the sea. There was no possibility of getting the crossing effected unless the enemy was held at bay. We’ve seen a similar situation many times in the history of warfare. When an army has to ford a river in the face of hostile forces, the hazardous operation is possible only if a strong vanguard is left on the enemy’s side. So God provided protection for His people. We read in vs. 19-20, “And the Angel of God, who went before the camp of Israel, moved and went behind them; and the
