Bulletin of the Library for American Studies in Italy Library for American Studies in Italy,1921 **European Culture in the Great War** Aviel Roshwald,Richard Stites,2002-02-14 It is commonplace to refer to the First World War as an historical watershed but the nature of that great cataclysm's impact upon European society and culture remains a hotly debated topic Many recent works have dealt with the Great War's role in shaping artistic and intellectual modernism and with the social history of the war Yet the English language literature remains dominated by a disproportionate emphasis on the western European experience This book redresses the balance by giving equal attention to the countries of eastern and central Europe and distinguishes itself by focusing specifically on cultural change during the course of the war as distinct from the after effects and memories of the conflict *Bulletin* Library for American studies in Italy,1921 Roads and Ruins Paul Baxa,2010-01-01 In the 1930s the Italian Fascist regime profoundly changed the landscape of Rome's historic centre demolishing buildings and displacing thousands of Romans in order to display the ruins of the pre Christian Roman Empire This transformation is commonly interpreted as a failed attempt to harmonize urban planning with Fascism's ideological exaltation of the Roman Empire *Roads and Ruins* argues that the chaotic Fascist cityscape filled with traffic and crumbling ruins was in fact a reflection of the landscape of the First World War In the radical interwar transformation of Roman space Paul Baxa finds the embodiment of the Fascist exaltation of speed and destruction with both roads and ruins defining the cultural impulses at the heart of the movement Drawing on a wide variety of sources including war diaries memoirs paintings films and government archives *Roads and Ruins* is a richly textured study that offers an original perspective on a well known story *Quarterly Bulletin of the Providence Public Library* Providence Public Library (R.I.),1924 **Monthly Bulletin** St. Louis Public Library,1921 **Bibliographien der Weltkriegsbücherei** ,1937 **Monthly Bulletin.
