Eschatological Discipleship Trevin Wax,2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one s evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus *Invitation to Evangelism* Timothy K. Beougher,2021-08-24 Essential guidance for a lifestyle of sharing God s good news with a lost world What exactly does it mean to evangelize in a Christian sense And how is such evangelizing supposed to be done Longtime pastor evangelist and professor of evangelism Timothy K Beougher answers these questions and more from theological historical and practical perspectives Beougher demonstrates God s goodness in evangelism through relatable anecdotes Bible teaching and encouraging instruction *Invitation to Evangelism* welcomes believers into the experience of stepping out in faith of behalf of people God loves Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers and most also know they aren t witnessing very well or even at all They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives *Invitation to Evangelism* guides readers through the essential issues of the gospel message evangelism methods and witnessing models so they are ready and excited to move out in faith as everyday evangelists Beougher s biblical theological historical and practical teaching revolves around following essential aspects of being an evangelist Having compassion as the motivation for evangelism Understanding the good news of Jesus Christ Seeing lost people as persons God loves Relying on the power of the Holy Spirit Paving the way for

The Cost of Cheap Grace Bill Hull, Brandon Cook, 2020-01-07 What is a Christian At the most basic level a Christian is a disciple of Jesus Christ And yet many Christians today couldn't tell you what a disciple of Jesus Christ is or would even think of themselves as disciples And yet in the Great Commission Jesus specifically called us to make disciples Everything else is secondary The Cost of Cheap Grace is an extended sweeping bold and bracing call to repentance for where we've let secondary things subvert our commitment to discipleship and a compelling vision for discipleship as the basis of the gospel in all its world changing subversive power Awake and Arise the Dying of the American Church Dr. Stan Mars, 2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don't make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God's church God's way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move

to God for His blessings to begin this journey **A Proactive Approach to Leadership Transition in Ministry** Dr. Fred Hill, 2022-02-16 A Proactive Approach to Leadership Transition in Ministry was inspired through the need of today's ministries to be proactive in preparation and development of future leaders to carry the ministry forward Equipping and mentoring the next generation of leaders effectively is an absolute necessity for continued church success Leaders should endeavor to actively discern gifts and talents early in potential leaders It is the leader's responsibility to develop and prepare others for leadership transitions This book serves as a warning and a guide for modern day church to avoid a leadership vacuum that has become so prevalent in today's churches by implementing a proactive approach to leadership transition This book will encourage church leaders to develop the foundation needed to begin the implementation of a proactive approach to the leadership transition **The Generative Church** Cory Seibel, 2019-10-10 Virtually all churches aim to invest meaningfully in the faith development of the younger generations who have been entrusted into their care Some churches have a longstanding track record of faithfulness in living out this commitment Some lose sight of this priority over time and allow their intentionality to fade This book makes a distinctive contribution to our understanding of children's youth and young adult ministries by appropriating Erik Erikson's concept of generativity the interest in establishing and guiding the next generation as a way of exploring congregational life Eleven accomplished authors representing five different countries provide diverse theological and cultural perspectives on key aspects of what it means for churches to invest intentionally in the faith development of the members of emerging generations Their chapters challenge us to think about the intergenerational dynamics of our churches the crucial partnership between church and parents and what it means to involve young people meaningfully in the life of the church The intriguing topics explored by this group of authors and the diverse contexts from which they write promise to broaden and enrich our thinking about caring for children youth and young adults as a vital responsibility shared by the entire congregation Community Relational Soul Care Dr. Julie A. The Advancing Church Sunny Philip, 2025-11-10 The continued advancement of the Christian church despite all the efforts by religious and political powers to eradicate it from its birth is a marvel of history The Book of Acts in the Bible gives us a historical snapshot of the early years of the church including various efforts to snuff it out But it continued to thrive and expanded its horizons to the

westernmost tip of the Roman Empire in the first century It has continued that thrust and circumnavigated our globe in its reach The Advancing Church is still marching on read this book and be inspired to be part of that march *Harper's Weekly* John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1878 An Exposition on the Old and New Testaments Matthew Henry, 1848 *Untold Perspective of The Great Commission* Oluwamuyiwa Omole, 2020-11-14 Below are the reasons for this book The Church has provided many responses to the issue of gathering of brethren that was restricted because of the lockdown caused by COVID 19 Every Family must go back to the original design The original design is Family Discipleship that produces a functional Family Priesthood However as eager as I am to tackle the issues that is spearheading the ruin of the idea of the nuclear family and the fact the Church is almost doing little or nothing I have decided to start from the root The root of the matter is The Great Commission which is JESUS last command He gave to His Disciples to make Disciples of all nations Therefore this book addresses The Great Commission as GOD s command for Discipleship and I hope that fathers and mothers can see this book as a wakeup call to rise up to their responsibilities of disciples of Christ and disciple makers for their children I hope you learn anything from this book and if you have any question concerns or comments please feel free to get in touch with me ENJOY
