Unlocked Grant Ralston, Ryan Ralston, 2021-02-24 Unlocked has been written to assist young Christians navigate the difficulties of finding and following God's will for their lives Unfortunately in contemporary American Christianity there is a lot of misinformation concerning this important subject and we aim to provide a biblical perspective on this issue In short this book argues that God's will is more like a journey than just a single destination It's not something that we will hopefully obtain in the future it's something that we can accomplish right now We strongly emphasize that God has most expressly revealed his will in the Bible Too often we neglect this divine revelation to our detriment We must realign our priorities by focusing first and foremost on what God has already said about his desires for our life before we ask the hard questions about particular careers or potential spouses Inevitably every Christian will encounter various problems along this journey such as insecurity fear and doubt God has provided powerful solutions to these hindrances in the Scriptures and we strived to unpack this biblical teaching in a helpful way Unlocked will fill you with a greater desire to accomplish God's will for your life and equip you to better handle the challenges that will arise along this journey

Jesus, Continued... J.D. Greear, 2014-11-04 Encounter the dynamic presence of God as you learn from pastor and author J D Greear how to more fully experience the Holy Spirit within you Jesus gave his disciples the audacious promise that the Spirit he would send to live inside them would be even better than if he himself remained beside them Yet how many of us consider our connection to the Holy Spirit so strong that we would call his presence in us better than Jesus himself walking by our side J D Greear was the pastor of a rapidly growing church who still felt like he didn't know how to relate to God personally Though he knew a lot about God he wasn't as sure about how to walk with God Furthermore he felt overwhelmed by the size of the mission Jesus had left for his church In a world of so much need what difference could he possibly make Learning how God dwells in us and empowers us in the Holy Spirit redefined his life and ministry Ministry became less about working for God and more about letting God work through him Drudgery was replaced by delight helplessness was replaced by empowerment In Jesus Continued Greear explores in clear and practical language questions such as What does it mean to have a relationship with the Holy Spirit How can we tell when the Spirit is speaking to us What do you do when God feels absent If you are longing to know God in a vibrant way Jesus Continued has good news for you That's exactly what God wants for you too His Spirit stands ready to guide you empower you and use you

The Rampart Vanessa Chavez,2015-12-16 If most of us were to be completely honest with ourselves we would find places deep within us that cant trust God at least not anymore Life experiences our own or those of others around us have left us doubting the true nature of God Is He really loving big faithful trustworthy Do our prayers really reach heaven The Rampart is where we go to position ourselves to meet face to face with the one who is supposed to have been there when we needed Him most the one who said He could do the impossible or the one who still hasnt shown up yet The Rampart is the place for those who want to believe that God is who He claims to be but cant who have journeyed with faith only to face disappointment who are intrigued by the thought of being a friend of God but find Him unreachable who find themselves waiting and wondering how much longer In my own journey through life experiences God has led me to a new place one that has forever changed my perception of Him In this place I found a bittersweet communion with Him a safe haven the ability to trust again and an avenue to freedom from all that would hold me backThe Rampart
