Destructive Emotions A Scientific Dialogue With The Dalai Lama Daniel Goleman:

Destructive Emotions Daniel Goleman, 2004-03-30 Why do seemingly rational intelligent people commit acts of cruelty and violence What are the root causes of destructive behavior How can we control the emotions that drive these impulses Can we learn to live at peace with ourselves and others Imagine sitting with the Dalai Lama in his private meeting room with a small group of world class scientists and philosophers The talk is lively and fascinating as these leading minds grapple with age old questions of compelling contemporary urgency Daniel Goleman the internationally bestselling author of *Emotional Intelligence* provides the illuminating commentary and reports on the breakthrough research this historic gathering inspired *Destructive Emotions* Buddhist philosophy tells us that all personal unhappiness and interpersonal conflict lie in the three poisons craving anger and delusion It also provides antidotes of astonishing psychological sophistication which are now being confirmed by modern neuroscience With new high tech devices scientists can peer inside the brain centers that calm the inner storms of rage and fear They also can demonstrate that awareness training strategies such as meditation strengthen emotional stability and greatly enhance our positive moods The distinguished panel members report these recent findings and debate an exhilarating range of other topics What role do destructive emotions play in human evolution Are they hardwired in our bodies Are they universal or does culture determine how we feel How can we nurture the compassion that is also our birthright We learn how practices that reduce negativity have also been shown to bolster the immune system Here too is an enlightened proposal for a school based program of social and emotional learning that can help our children increase self awareness manage their anger and become more empathetic Throughout these provocative ideas are brought to life by the play of personalities by the Dalai Lama s probing questions and by his surprising sense of humor Although there are no easy answers the dialogues which are part of a series sponsored by the Mind and Life Institute chart an ultimately hopeful course They are sure to spark discussion among educators religious and political leaders parents and all people who seek peace for themselves and the world The Mind and Life Institute sponsors cross cultural dialogues that bring together the Dalai Lama and other Buddhist scholars with Western scientists and philosophers Mind and Life VIII on which this book is based took place in Dharamsala India in March 2000

Emotional Intelligence Daniel Goleman,2009-07-20 A 25th anniversary edition of the number one multi million copy international bestseller that taught us how emotional intelligence is more important than IQ a revolutionary paradigm shattering idea Harvard Business Review Featuring a new introduction from the author Does IQ define our destiny In his groundbreaking bestseller Daniel Goleman argues that our view of human intelligence is far too narrow It is not our IQ but our emotional intelligence that plays a major role in thought decision making and individual success Self awareness impulse control persistence motivation empathy and social deftness all are qualities that mark people who excel whose relationships flourish who can navigate difficult conversations who become stars in the workplace With new insights into the brain architecture underlying emotion and rationality Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us

The Dalai Lama at MIT Anne Harrington,Arthur Zajonc,2008-04-30 The meeting captured headlines the waiting list contained nearly 2000 names If you were unable to attend this book will take you there Including both the conference papers and the animated discussion and debate they generated it reveals scientists and

monks reaching across a cultural divide to share insights studies and enduring questions The Art of Emotional Resilience Molly Dahl,2021 We all have emotions yet how well do we understand them Can we explain what they are In The Art of Emotional Resilience author Molly Dahl discusses what the emotions are why we have them and what we can do to enjoy more of the positive ones She shares what we can do to understand and change the powerful negative emotions that sometimes run away with our logical thinking and good behavior Based on the research and practices from the fields of positive psychology and emotion science Dahl provides several tools and interactive exercises to guide you through an exploration of your emotional landscape You ll come to understand the differences between emotion and behavior patterned reactions and considered responses and a life of suffering versus a life of well being Dahl offers an in depth look at emotional resilience helping you to manage stress quiet your mind and live a fulfilling life **Life Advice from Below** Eric C. Hendriks,2017-07-03 In Life Advice from Below Eric C Hendriks offers the first systematic comparative study of the globalization of American style self help culture and the cultural conflicts this creates in different national contexts The self help guru is an archetypical American figure associated with individualism materialism and the American Dream Nonetheless the self help industry is spreading globally thriving in China and other seemingly unlikely places Controversy follows in its wake as the self help industry operating outside of formal education and state institutions outflanks philosophical religious and political elites who have their own visions of the Good Life Through a comparison of Germany and China Hendriks analyzes how the competition between self help gurus and institutional authorities unfolds under radically different politico cultural regimes This witty book charms its way through a very serious sociology of the seriously quirky field of self help books Read it for its fascinating pop culture insights and you ll come away with a deep understanding of contemporary sociological theory Highly recommended Salvatore Babones University of Sydney Hendriks finding that Germany rather than China is more resistant to self help gurus offers a powerful corrective to the assumption in much of the globalization literature that the greatest cultural divide is between the Anglo Western European sphere and the rest of the globe Rodney Benson New York University **The Emotional Intelligence of Jesus** Roy M. Oswald,Arland Jacobson,2015-01-22 Faith leaders are surrounded by people constantly navigating mazes of different personalities emotional levels and individual characteristics Working with committees individuals and other leaders is critical to successfully moving an organization forward and representing a congregation with credibility and effectiveness Not every leader however is born with the inherent ability to effectively communicate and relate with others That ability is called Emotional Intelligence perceiving controlling and evaluating emotions Emotional Intelligence is widely studied in the business world to help improve leader effectiveness The Emotional Intelligence of Jesus introduces readers to the ways emotional intelligence can enhance their work in faith settings Authors Roy M Oswald and Arland Jacobson highlight the emotional intelligence of Jesus illuminating the remarkable ways he related to a diverse array of people then show how these lessons can enrich the ministry of faith

leaders today The book walks readers through five key principles of emotional intelligence self awareness empathy assertiveness optimism and stress management illustrating these principles in the life of Jesus and offering practical applications for leaders today The authors address emotional intelligence with both individuals and groups of all sizes The Emotional Intelligence of Jesus is an essential resource for anyone looking to enhance their relationship and leadership effectiveness in a faith setting

The Supplicate Order Patricia M. Brown Ph.D.,2009-04-10 Supplication captures a universal cross cultural approach to spirituality Authored by Dr Patricia Brown The Supplicate Order defines supplication as an expression for the laws and principles that guide a spiritual aspirant toward communion with the sacred mysteries progressing toward an expanded perception of life and grateful reception of blessings positive creativity healing and wisdom It shows how humanity bridges the manifest explicate order and the unmanifest implicate order Offering a fresh perspective on supplication The Supplicate Order carries four messages that pertain to spiritual aspirants at any level Dont abandon yourself to self loathing or to another persons or groups absolute power over you Start with what you know to do dont be too eager to get exotic or far removed from your resonant spiritual persuasion Never think you know everything Dont give up Brown explains how key universal principles verify the human capacity to bring forth gifts of the spirit while psychological health and development determine invocatory efforts and receptive capacities The Supplicate Order integrates global spiritual wisdom and psychological knowledge with the trends of new science highlighting the human invocation of the sacred
