Diamonds And Rust:

Diamonds & Rust Joan Swanekamp, 1980 *The International Who's Who in Popular Music 2002* Andy Gregory, 2002
The International Who's Who in Popular Music 2002 offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry providing full biographical details on pop rock folk jazz dance world and country artists. Over 5 000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever possible, information is obtained directly from the entrants to ensure accuracy and reliability. Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music.

The Album James E. Perone, 2012-10-17 This four volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years from the well known and mainstream to the quirky and offbeat. *The Album: A Guide to Pop Music's Most Provocative, Influential and Important Creations* contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R & B, hip hop, country and alternative genres including artists such as 2Pac, Carole King, James Brown, The Beatles and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers as well as descriptions of particular music industry topics pertaining to the development of the album over this 50 year period. Due to its examination of a broad time frame and wide range of musical styles and its depth of analysis that goes beyond that in other books about essential albums of the past and present, this collection will appeal strongly to music fans of all tastes and interests.

Judas Priest Martin Popoff, 2024-11-12 Required reading for any metalhead, this collection of entertaining illustrated conversations spans all of Judas Priest's studio albums right up through 2024's *Invincible Shield*. In *Judas Priest Album by Album*, prolific rock journalist Martin Popoff pays tribute to Judas Priest's discography through a series of in depth and fascinating conversations about all 19 of the legendary British heavy metal band's studio albums. Inside, Popoff gathers together musicians and metal journalists who offer insights, opinions and anecdotes about each release. The interviewees include names like Slash, Guns N' Roses, Marty Friedman, Megadeth, Charlie Benante, Anthrax, Todd La Torre, Queensröche, Bobby Ellsworth, Overkill and more. Popoff also includes sidebars that provide complete track listings, details on album personnel and information on where and when the albums were recorded. Richly illustrated with thoughtfully curated performance and offstage photography as well as rare memorabilia, the conversations comprise a unique historical overview of the band covering legendary guitarists K.K. Downing and Glenn Tipton, the work of iconic lead singer Rob Halford, the roles of various producers in the band's discography, mega tours undertaken in support of the LPs. And much more: even controversies surrounding the band are covered. Reexamine the rich catalog of these metal masters with this entertaining and insightful album by album exploration.

The Boy in the Song Michael Heatley,2014-11-24 The Boy in the Song is a follow up to 2010 s The Girl in the Song It features the real life stories that inspired some classic pop songs about the male of the species While the first book was filled with songs about unrequited love the follow up is more varied with songs written from a number of emotions There are songs motivated by love and hate there are tributes and there are biographical tales Each song is featured on two four or six pages with a small biography of the artist along with the story of how and why the song was written and most intriguingly what happened after the song became a hit

Voices from Necropolis Sara Khorshidi,2019 At the intersection of Derrida s philosophy and Spivak s influence on narrative studies this study offers a critical effort that goes against the mainstream of contemporary studies about autobiographical texts here Reading Lolita in Tehran and Persepolis On another level this book is an attempt to interrogate critically the relation of subalternity and autobiographical writing which is only made possible by extending the range of the genre of autobiography so that it can bear witness to what has been condemned to be unnarratable and consequently unheard

Judas Priest John Tucker,2025-05-19 Many would argue that Judas Priest s most creative and influential period ran from their first release in 1974 until frontman Rob Halford shocked the metal world by quitting in May 1992 following the Painkiller tour By then Judas Priest had fourteen albums to their name with chart success in both the UK and USA and had grown in stature and image from a kaftan wearing rock band with pretensions of being the next Queen to purveyors of a leather and studded full force heavy metal onslaught Copied by many but surpassed by none Judas Priest came to symbolise the very essence of heavy

Encyclopedia of Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day *Encyclopedia of Classic Rock* David Lührssen,Michael Larson,2017-02-24 Examining one of the most popular and enduring genres of American music this encyclopedia of classic rock from 1965 to 1975 provides an indispensable resource for cultural historians and music fans More than movies literature television or theater rock music set the stage for the cultural shifts that occurred from 1965 to 1975 Led by The Beatles and Bob Dylan rock became a self conscious art form during these years daring to go places unimaginable to earlier rock and roll musicians The music and outspokenness of classic rock artists inspired and moved the era s social cultural and political developments with a power once possessed by authors and playwrights and influenced many artists in younger generations of rock musicians This single volume work tracks the careers of well known as well as many lesser known but influential rock artists from the period providing readers with a handy reference to the music from a critical groundbreaking period in popular culture and its enduring importance The book covers rock artists who emerged or came to prominence in the period ranging 1965 1975 and follows their careers through the present It also specifically defines the term classic rock and identifies the criteria that a song must meet in order to be considered as within the genre While the coverage naturally includes the cultural importance and legacy of most well known American and British bands of the era it also addresses the influence of artists from Western and Eastern Europe Africa Asia and Latin America Readers will grasp how the music of the classic rock era was notably more sophisticated than what preceded it an artistic peak from which most of contemporary rock has descended **Woodstock FAQ** Thomas E. Harkins,2019-08-15 Thomas Edward Harkin s Woodstock FAQ All That s Left to Know About the Fabled Garden cuts through the lofty rhetoric and mythology surrounding the legendary festival Rather than waxing philosophical about whether or not the Woodstock Music Art Fair was the defining moment of the 1960s as so

many have done before Harkins places the focus on the music solo artists and bands who performed Thirty two acts took to the stage in Bethel New York that weekend and the book gives the performers and the music their due consideration Who were they Where did they come from What songs did they play What happened to them afterward How did the festival impact their careers Those are the questions explored in these pages Further the book attempts to restore the chronological arc of the festival from concept to concert to its aftermath and enduring legacy Drawing on his experiences as a media scholar Harkins ponders how the album releases and Michael Wadleigh s Academy Award winning 1970 film Woodstock helped shape the narrative of the festival and in the bargain distort people s memories of the actual event *Rock Song Index* Bruce Pollock,2014-03-18 The Rock Song Index Second Edition is a new version of a well received index to the classic songs of the rock canon from the late 40s through the end of the 20th century The study of the history of rock music has exploded over the last decade all college music departments offer a basic rock history course covering the classic artists and their songs **My Favorite Records** Daniel Braun,2019-04-11 There are hundreds of records that I have loved over the course of my life Some of these records have faded into the depths of my subconscious Fortunately most of them have stayed with me year after year remaining fresh in my memory alive in my heart I compiled my first Favorites List in 1983 and it contained about 600 recordings Most of the records on the original list are still there today My current list consists of about 900 recordings And the list is still growing as I continue to be introduced to more music You may be familiar with Rolling Stone s 2004 cover story The 500 Greatest Songs of All Time This is certainly a comprehensive compendium on the subject so why should I bother writing this book Because I m taking a different approach a personal approach There s a difference between the greatest songs as determined by professional music critics and someone s favorite records I m not a music critic or a musicologist I m just a guy who loves good music Nonetheless I believe my opinions have value because of the strong connection I have with each record The primary purpose of this book is to draw us together using our favorite music as the catalyst In the process of getting to know someone a commonly asked question is What kind of music do you like His or her answer usually reveals something about their personality Not only will you learn what my favorite records are you will learn about me why I like these songs and how I came to discover them I m hoping to create conversations not only between you and I but between all American music lovers Thousands upon thousands of songs have been recorded over the past 60 years I ve been an avid listener for most of my life but there are still a lot of hidden treasures out there I d love to find I m hoping you by sharing your favorites with me will help me to find them I m also hoping that I will inspire you to listen to some of my favorites There is a treasure trove of great music out waiting to be enjoyed
