Informational Hearing on Paid Family Leave California. Legislature. Senate. Committee on Labor and Industrial Relations, 2010 *Department of State News Letter* United States. Department of State, 1965

Unfinished Business Ruth Milkman, Eileen Appelbaum, 2013-11-15 Unfinished Business documents the history and impact of California's paid family leave program the first of its kind in the United States which began in 2004 Drawing on original data from fieldwork and surveys of employers workers and the larger California adult population Ruth Milkman and Eileen Appelbaum analyze in detail the effect of the state's landmark paid family leave on employers and workers They also explore the

implications of California's decade long experience with paid family leave for the nation which is engaged in ongoing debate about work family policies Milkman and Appelbaum recount the process by which California workers and their allies built a coalition to win passage of paid family leave in the state legislature and lay out the lessons for advocates in other states and localities as well as the nation Because paid leave enjoys extensive popular support across the political spectrum campaigns for such laws have an excellent chance of success if some basic preconditions are met Do paid family leave and similar programs impose significant costs and burdens on employers Business interests argue that they do and routinely oppose any and all legislative initiatives in this area Once the program took effect in California this book shows large majorities of employers themselves reported that its impact on productivity profitability and performance was negligible or positive Unfinished Business demonstrates that the California program is well managed and easy to access but that awareness of its existence remains limited Moreover those who need the program's benefits most urgently low wage workers young workers immigrants and disadvantaged minorities are least likely to know about it As a result the long standing pattern of inequality in access to paid leave has remained largely intact *Federal Regulations, Part 825* United States.
