Writing the Family Kathleen Skott-Myhre, Korinne Weima, Helen Gibbs, 2012-07-30 This is not a traditional book about the family In a very essential way it is a book about being a woman in relation to the current form of the family under capitalism in North

America The authors are three women whose interest in the family stems out of their own unique and varied experiences The text is comprised of three autoethnographies that look at the family from radically distinct perspectives Each section is rooted in the author s own personal and professional life experience The book explores multi cultural family therapy living inside a divorcing family the role of child protective services issues of class and race in a family s identity how media and pop psychology shape our view of the family and what it is to be female in a patriarchal family system All three women are currently working with young people in various capacities Each section offers new ways to work together with young people to reshape the family so that it better serves those who live within it

Behind the Mask of Facebook Ryan Hartwig, Kent Heckenlively, 2021-08-17 Ryan Hartwig may be one of the most important figures in American history Hired by Cognizant as a content moderator for Facebook Ryan Hartwig began by keeping gruesome images of cartel violence in Mexico off the platform This seemed like a righteous mission and yet as time went by it became clear the Facebook bosses saw an even bigger threat Americans of a different political viewpoint Ryan watched in horror as Facebook made a monumental shift after the 2016 elections hiring thousands of US based content moderators with one mission to favor leftist viewpoints while suppressing the speech of conservatives Ryan describes more than forty examples of such behavior and it will radically rewrite your understanding of the past four years as you learn how the news regarding prominent individuals like Greta Thunberg Alyssa Milano and Don Lemon was censored to remove legitimate criticism of them Viral videos of Trump supporters being attacked were removed from the platform and moderators were told to look for signs of hate speech in Trumps State of the Union addresses while at the same time allowing vicious attacks against police pro lifers and straight white males As America s de facto town square Facebook was systematically suppressing free speech which has traditionally been our country s greatest weapon to combat extremism from either side Ryan knew he had to take action and contacted Project Veritas eventually filming many of these actions with a hidden camera for the world to see We need to stand up against tech tyranny and corporations that attempt to control our conversations our news and our political narratives

Reading *Behind the Mask of Facebook* A Whistleblower s Shocking Story of Big Tech Bias and Censorship is the first step to learning how to confront and defeat this tyranny
