Sokol, 2005-01-03 Trade integration contributes substantially to economic development and poverty alleviation In recent years much progress was made to liberalize the trade regime but customs procedures are often still complex costly and non transparent This situation leads to misallocation of resources Customs Modernization Handbook provides an overview of the key elements of a successful customs modernization strategy and draws lessons from a number of successful customs reforms as well as from customs reform projects that have been undertaken by the World Bank It describes a number of key import procedures that have proved particularly troublesome for customs administrations and traders and provides practical guidelines to enhance their efficiency The Handbook also reviews the appropriate legal framework for customs operations as well as strategies to combat corruption Haiti International Monetary Fund, 2012-08-03 This paper discusses key findings of the Fourth Review Under the Extended Credit Facility ECF for Haiti All end March 2012 performance criteria were met Implementation of structural reforms has also continued although two out of three end March 2012 structural benchmarks were not observed The stance of macroeconomic policy and the reform agenda remain broadly unchanged and will continue to focus on consolidating macroeconomic stability mobilizing higher revenue to allow increased spending in critical areas and strengthening cash management Structural reforms will also seek to modernize the financial sector **Central African Republic** International Monetary Fund. African Dept., 2025-06-23 CAR s ECF supported program has helped support crucial governance and transparency reforms aided by improvements in the security environment Nonetheless fiscal pressures persist as revenue mobilization has not kept pace with rising spending and debt service Particularly fuel supply constraints and subpar tax

compliance have continued to weigh on revenue collection while weak public financial management PFM and limited spending controls have hindered budget execution Grants have materialized broadly as expected but remain well below pre 2020 levels undermining debt sustainability Staff finalized CAR s Country Engagement Strategy CES Annex III outlining key fragility drivers and how IMF support can help address them *Democratic Republic of the Congo: Technical Assistance Report-Governance and Anti-Corruption Assessment* International Monetary Fund. Legal Dept.,International Monetary Fund. Fiscal Affairs Dept.,2021-05-25 At the request of His Excellency the President of the Republic and Head of State the Legal LEG and Fiscal Affairs FAD Departments of the IMF conducted an assessment of governance and corruption mission in Kinshasa Democratic Republic of the Congo DRC from December 9 to 20 2019 the mission 1 The objectives of the mission were to discuss with the authorities i a diagnostic of governance issues in the DRC and ii to articulate measures to help improve governance and the fight against corruption **Suriname** International Monetary Fund. Fiscal Affairs Dept.,2024-05-28 At the request of the Directorate of Taxes and Customs a technical assistance mission evaluated how the authorities launched the Value Added Tax VAT administered the tax in the first 12 months of operation and provided advice on improving the efficiency of the administration of VAT Suriname implemented a VAT on January 1 2023 replacing the Sales Tax VAT revenue collected for the first 12 months was approximately 3 percent of Gross Domestic Product GDP and was 95 4 percent of the collection target The weaker than expected VAT performance can be attributed to how the VAT implementation was managed The authorities were not sufficiently prepared to effectively implement and administer the VAT Several risks have been identified and if not urgently addressed there may be weaker VAT revenue collection continued weak filing and payment compliance which pose a challenge to the authorities fiscal program *Democratic Republic of the Congo* International Monetary,International Monetary Fund. African Dept.,2023-07-05 Growth has remained strong and resilient fueled by expanding mining activity However the escalation of the armed conflict in Eastern DRC is having major negative humanitarian effects and weighed on public finances upcoming elections scheduled at the end of 2023 are also adding to uncertainty Since the last review the government s revenue shortfalls and rapid spending contributed to a deterioration of the external balance excess domestic currency liquidity exchange rate depreciation and persistent inflation
