

Answers to Triage Scenarios

Introduction

The following suggested answers to the ATLS Triage Scenarios should be on hand during the course as a reference for the Course Director. ATLS sites can also hand out these solutions to the triage scenarios at the end of the course. The most important aspect of the triage scenarios is to emphasize the

concept of triage and encourage the students to reason through their choices rather than to arrive at a particular correct answer. There may be several right answers for a particular scenario given specific local resources or twists that the faculty may introduce and discuss.
