Guglielmo Cavallo

Authority In Byzantine Provincial Society 950 11:

Authority in Byzantium Pamela Armstrong, 2016-12-05 Authority is an important concept in Byzantine culture whose myriad modes of implementation helped maintain the existence of the Byzantine state across so many centuries binding together people from different ethnic groups in different spheres of life and activities Even though its significance to understanding the Byzantine world is so central it is nonetheless imperfectly understood The present volume brings together an international cast of scholars to explore this concept The contributions are divided into nine sections focusing on different aspects of authority the imperial authority of the state how it was transmitted from the top down from Constantinople to provincial towns how it dealt with marginal legal issues or good medical practice authority in the market place whether directly concerning over the counter issues such as coinage weights and measures or the wider concerns of the activities of foreign traders authority in the church such as the extent to which ecclesiastical authority was inherent or how constructs of religious authority ordered family life the authority of knowledge revealed through imperial patronage or divine wisdom the authority of text though its conformity with ancient traditions through the Holy scriptures and through the authenticity of history exhibiting authority through images of the emperor or the Divine The final section draws on personal experience of three great authorities within Byzantine Studies Ostrogorsky Beck and Browning

Historical Dictionary of Byzantium John H. Rosser, 2012 The Byzantine Empire dates back to Constantine the Great the first Christian ruler of the Roman Empire who in 330 AD moved the imperial capital from Rome to a port city in modern day Turkey which he then renamed Constantinople in his honor From its founding the Byzantine Empire was a major anchor of east west trade and culture art architecture and the economy all prospered in the newly Christian empire As Byzantium moved into the middle and late period Greek became the official language of both church and state and the Empire's cultural and religious influence extended well beyond its boundaries In the mid 15th century the Ottoman Turks put an end to 1 100 years of Byzantine history by capturing Constantinople but the Empire's legacy in art culture and religion endured long after its fall In this revised and updated second edition of the Historical Dictionary of Byzantium author John H Rosser introduces both the general reader and the researcher to the history of the Byzantine Empire This comprehensive dictionary includes detailed alphabetical entries on key figures ideas places and themes related to Byzantine art history and religion and the second edition contains numerous additional entries on broad topics such as transportation and gender which were less prominent in the previous edition An expanded introduction introduces the reader to Byzantium and a guide to further sources and suggested readings can be found in the extensive bibliography that follows the entries A basic chronology and various maps and illustrations are also included in the dictionary This book is an excellent access point for students researchers and anyone wanting to know more about Byzantium

Social Change in Town and Country in Eleventh-Century Byzantium James Howard-Johnston, 2020-09-10 The history of Byzantium pivots around the eleventh century during which it reached its

apogee in terms of power prestige and territorial extension only then to plunge into steep political decline following serious military defeats and extensive territorial losses The political economic and intellectual history of the period is reasonably well understood but not so what was happening in that crucial intermediary sphere the social order which both shaped and was shaped by contemporary ideas and brute economic developments This volume aims to deepen understanding of Byzantine society by examining material evidence for settlements and production in different regions and by sifting through the far from plentiful literary and documentary sources in order to track what was happening in town and country There is evidence of significant change the pattern of landownership continued to shift in favour of those with power and wealth but there was sustained and effective resistance from peasant villages Provincial towns prospered in what was an era of sustained economic growth and through newly emboldened local elites took a more active part in public affairs In the capital the middling classes comprising much of officialdom and leading traders gained in importance while the twin military and civilian elites were merging to form a single governing class However despite this social upheaval careful analysis of these various factors by a range of leading Byzantine historians and archaeologists leads to the overarching conclusion that it was not so much internal structural changes which contributed to the vertiginous decline suffered by Byzantium in the late eleventh century as the unprecedented combination of dangerous adversaries on different fronts in the east north and west

Approaching Social Hierarchies in Byzantium Anna C. Kelley, Flavia Vanni, 2025-01-20 Utilising new methodological approaches to understanding not only the poor as a social and economic group but also of the internal means of stratification which informed social organisation within local communities this book looks at the place of the poor within the multi layered hierarchies of Byzantine society using evidence from archaeology art architecture as well as narrative theological and legal texts Rather than treating the different levels of society independently it looks at the social interactions which replicated and reinforced hierarchies but were also subject to negotiation within local communities Fifteen leading Byzantine scholars discuss and analyse the topic of social hierarchies in the Byzantine Empire covering topics such as working lives the material world the stratification of space and philanthropy and social obligation The book will appeal to scholars and students alike interested in identity formation and expression in the Byzantine provinces as well as those researching the social history of the poor in Byzantium and the mechanisms of hierarchies social marginalisation and oppression

Military Literature in the Medieval Roman World and Beyond, 2024-05-21 What do the mysterious Roman author Vegetius the Byzantine emperor Leo VI and the Chinese general Li Jing all have in common They are three of the dozens of authors across the medieval Mediterranean world and beyond who wrote works of military literature sometimes called military handbooks manuals or treatises This book brings together a multidisciplinary international team of scholars who present cutting edge essays on diverse aspects of medieval military literature While some chapters offer novel approaches to familiar authors like Vegetius some present research on under valued topics like Byzantine military illustrations and others provide holistic studies on

subjects like early modern treatises they all move the discussion of medieval military literature forward Contributors are Michael B Charles Georgios Chatzelis Pierre Cosme Maxime Emion Immacolata Eramo Michael Fulton David Graff John Haldon Catharine Hof John Hosler Savvas Kyriakidis ukasz R ycki Katharina Schoneveld Georgios Theotokis Conor Whately Michael Whitby and Nadya Williams

Politics and Government in Byzantium Jonathan Shea, 2020-05-14 The eleventh century marked a turning point in the history of the Byzantine Empire At its start Byzantium was the paramount power in the Mediterranean world by turns feared respected and admired By the century s close the empire had lost half of its territory and had managed only a partial recovery under the leadership of the Komnenos family How did a powerful and famously wealthy empire collapse so quickly The contemporary accounts of this turbulent long century taken here as c 950 1100 attribute the empire s decline to the emperors reckless and self serving favouring of civilian bureaucrats and while these sources are today widely acknowledged as biased and unreliable modern assessments of the century have hitherto failed to suggest any tangible alternatives To circumvent this dearth of archival material Jonathan Shea has meticulously analysed 2 200 unpublished seals from the period more than a third of the known total extant today to uncover exactly whom the emperors were favouring and promoting as well as developing a nuanced and revealing picture of the makeup of the much chastised civilian bureaucracy The sigillographic evidence is throughout measured against the written material to give a fresh account of this key transitional century and a rare insight into Byzantine politics

Rulers and Rulership in the Arc of Medieval Europe, 1000-1200 Christian Raffensperger, 2023-08-24 Rulers and Rulership in the Arc of Medieval Europe challenges the dominant paradigm of what rulership is and who rulers are by decentering the narrative and providing a broad swath of examples from throughout medieval Europe Within that territory the prevalent idea of monarchy and kingship is overturned in favor of a broad definition of rulership This book will demonstrate to the reader that the way in which medieval Europe has been constructed in both the popular and scholarly imaginations is incorrect Instead of a king we have multiple rulers male and female ruling concurrently Instead of an independent church or a church striving for supremacy under the Gregorian Reform we have a pope and ecclesiastical leaders making deals with secular rulers and an in depth interconnection between the two Finally instead of a strong centralizing polity growing into statehood we see weak rulers working hand in glove with weak subordinates to make the polity as a whole function Medievalists Byzantinists and Slavists typically operate in isolation from one another They do not read each other s books or engage with each other s work This book requires engagement from all of them to point out that the medieval Europe that they work in is one and the same and demands collaboration to best understand it

Proceedings of the 21st International Congress of Byzantine Studies: Plenary papers Elizabeth Jeffreys, Fiona K. Haarer, 2006 The theme of the 2006 International Congress of Byzantine Studies was display This is explored under eight headings which highlight different aspects of the theme and different disciplines within Byzantine Studies Empire Works and Days Infrastructures Words Texts Orthodoxy Byzantium as Display and The

Future of the Past In the process many of the possible responses to Byzantium are examined the most direct response being to ask whether there was a real Byzantium or only an imaginary modern construct But the aim is to make this simple dichotomy more complex and assess first what strategies the people of Byzantium used to express their thoughts ideals fears and beliefs and then how these have been interpreted through various modern discourses The first volume presents the texts of the 28 plenary papers delivered at the Congress the second and third contain the abstracts of the approximately 700 papers written for the 64 separate panels and the sessions of communications *Byzantinische Forschungen* ,1966 Internationale Zeitschrift f r Byzantinistik **The Byzantine Province in Change** Bojana Krsmanović,2008 *Female founders in Byzantium and beyond* Lioba Theis,Margaret Mullett,Michael Grünbart,2014 This volume presents the results of a scholarly meeting which focused on the patronage of women in the Byzantine Empire In their scope the articles address broadly not only the founding or re founding of churches and monasteries but also their rich decoration as well as numerous smaller donations In spite of increased attention to gender research in recent years a comparative treatment of the legal and economic potentiel that women in Byzantium could exercise in order to exert independent influence has been lacking thus a gender specific viewpoint for the volume was intentionally chosen *The British National Bibliography* Arthur James Wells,2006 The Classical Outlook ,2004 **Historiens et géographes** ,2006-07 Book Review Index - 2009 Cumulation Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Byzantinische Zeitschrift** Karl Krumbacher,2008 Le monde byzantin. Tome 2 Jean-Claude Cheynet,2006-11-27 Ce second volume sur le monde byzantin est consac l Empire byzantin de la mort de Heraclius en 641 jusqu 1204 chute de Constantinople suivie d un effondrement politique de l Empire La structure de ce volume est proche de celle du volume 1 l Empire romain d Orient de 330 641 pr sentation des grandes lignes de l histoire v nementielle analyse des principales structures empereur glise arm e aristocratie byzantine et monde rural fondements de la civilisation et tudes r gionales Les fondements de la civilisation byzantine ont t pos s durant l Antiquit tardive et sont rest s les m mes Durant ces cinq si cles et demi l Empire subit de nombreux revers face aux Arabes mais au prix d amputations territoriales majeures et d une militarisation de la soci t les empereurs r ussirent r tablir l quilibre des forces et trouv rent des ressources financi res pour faire face aux guerres ils recentr rent l Empire sur l Asie mineure tout en sauvant la capitale La chute de Constantinople marque la fin de la civilisation byzantine *Ab imperio* ,2005 *Ordnungskonfigurationen im hohen Mittelalter* Bernd Schneidmüller,Stefan Weinfurter,2006 Ordnungskonfigurationen dieser Band dokumentiert ein

Authority In Byzantine Provincial Society 950 11 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Authority In Byzantine Provincial Society 950 11 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Authority In Byzantine Provincial Society 950 11 has opened up a world of possibilities. Downloading Authority In Byzantine Provincial Society 950 11 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Authority In Byzantine Provincial Society 950 11 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Authority In Byzantine Provincial Society 950 11. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Authority In Byzantine Provincial Society 950 11. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Authority In Byzantine Provincial Society 950 11, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Authority In Byzantine Provincial Society 950 11 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Authority In Byzantine Provincial Society 950 11 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Authority In Byzantine Provincial Society 950 11 is one of the best book in our library for free trial. We provide copy of Authority In Byzantine Provincial Society 950 11 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Authority In Byzantine Provincial Society 950 11. Where to download Authority In Byzantine Provincial Society 950 11 online for free? Are you looking for Authority In Byzantine Provincial Society 950 11 PDF? This is definitely going to save you time and cash in something you should think about.
