The Great Azusa Street Revival William Seymour, 2020-12-15 Serving as the catalyst of the Pentecostal movement in the twentieth century William J Seymour turned a tiny former horse stable in Los Angeles into an international center of revival Baptism of the Holy Spirit with the evidence of speaking in tongues was a major part of the meetings held there and Seymour led the first organized movement that promoted this experience At Azusa blacks whites Hispanics and Europeans all met and worshiped together crossing formerly impossible cultural lines There is no Jew or Gentile bond or free in the Azusa Mission Seymour said No instrument that God can use is rejected on account of color or dress or lack of education This is why God has built up the work Compiled by Roberts Liardon author of the bestselling God's Generals series *The Great Azusa Street Revival* features historic accounts eyewitness testimonies to the power of God and photos capturing the multicultural worldwide appeal of Seymour and his ministry Included are many of Seymour's stirring sermons and writings which are still relevant to believers today Although the revival was short lived it produced and exploded the Pentecostal movement around the world Today many denominations attribute their founding to the participants of the Azusa Street church and countless others are linked to this revival [The Azusa Street Revival](#) Roberts Liardon, 2006-04
