B Britten Hymn To St Cecilia

Paul Kildea

B Britten Hymn To St Cecilia:

A Conductor's Guide to Benjamin Britten's Hymn to St. Cecilia Matthew L. Travis, 2009 **Benjamin Britten's Hymn to St. Cecilia, Op. 27, A Ceremony of Carols, Op. 28, and Rejoice in the Lamb, Op. 30** Alfred Calabrese, 1991

On Mahler and Britten Philip Reed, 1995 In February 1995 Donald Mitchell the foremost authority on the life and works of Gustav Mahler and Benjamin Britten celebrated his seventieth birthday To mark this event the present Festschrift has been compiled under the editorship of Philip Reed Distinguished composers scholars colleagues and friends from around the world have written on aspects of the two composers closest to Mitchell's heart Mahler and Britten to produce a volume which not only reflects some of the latest thinking on this pair of remarkable figures in the music of our century but which also pays full tribute to the impact of Mitchell's own work on these composers over the last fifty years The volume includes the fullest bibliography of Mitchell's writings yet compiled **Benjamin Britten** Paul Kildea, 2013-01-28 Published to mark the beginning of the Britten centenary year in 2013 Paul Kildea's *Benjamin Britten A Life in the Twentieth Century* is the definitive biography of Britain's greatest modern composer In the eyes of many Benjamin Britten was our finest composer since Purcell a figure who often inspired him three hundred years earlier He broke decisively with the romantic nationalist school of figures such as Parry Elgar and Vaughan Williams and recreated English music in a fresh modern European form With *Peter Grimes* 1945 *Billy Budd* 1951 and *The Turn of the Screw* 1954 he arguably composed the last operas from any composer in any country which have entered both the popular consciousness and the musical canon He did all this while carrying two disadvantages to worldly success his passionately held pacifism which made him suspect to the authorities during and immediately after the Second World War and his homosexuality specifically his forty year relationship with Peter Pears for whom many of his greatest operatic roles and vocal works were created The atmosphere and personalities of Aldeburgh in his native Suffolk also form another wonderful dimension to the book Kildea shows clearly how Britten made this creative community notably with the foundation of the Aldeburgh Festival and the building of Snape Maltings but also how costly the determination that this required was Above all this book helps us understand the relationship of Britten's music to his life and takes us as far into his creative process as we are ever likely to go Kildea reads dozens of Britten's works with enormous intelligence and sensitivity in a way which those without formal musical training can understand It is one of the most moving and enjoyable biographies of a creative artist of any kind to have appeared for years Paul Kildea is a writer and conductor who has performed many of the Britten works he writes about in opera houses and concert halls from Sydney to Hamburg His previous books include *Selling Britten* 2002 and as editor *Britten on Music* 2003 He was Head of Music at the Aldeburgh Festival between 1999 and 2002 and subsequently Artistic Director of the Wigmore Hall in London **The Rough Guide to Classical Music** Joe Staines, 2010-05-17 This expanded and completely revised fifth edition is a unique ebook spanning a thousand years of music from Gregorian chant via Bach and Beethoven to current leading lights such as

Thomas Adès and Kaija Saariaho There are concise biographical profiles of more than 200 composers and informative summaries of the major compositions in all genres from chamber works to operatic epics Topics such as the influence of jazz notation conducting the madrigal and why Stradivarius made such great violins are covered fully in feature boxes The Rough Guide to Classical Music in a new ebook PDF format has been praised for its mix of well known composers with more obscure but interesting figures like Antoine Brumel and Barbara Strozzi and for the way it takes contemporary music seriously

Benjamin Britten Neil Powell,2013-08-06 This spellbinding centenary biography by Neil Powell looks at the music the life and the legacy of the greatest British composer of the twentieth century Benjamin Britten was born on November 22 1913 in the East Suffolk town of Lowestoft Displaying a passion and proficiency for music at an early age to the delight of his mother Edith a talented amateur musician herself he began composing music when he was only five years old After studying at the Royal College of Music Britten went on to write documentary scores for the General Post Office Film Unit where he met and collaborated with the poet W H Auden Of more lasting importance was Britten's introduction in 1937 to the tenor Peter Pears who was to become the inspirational center of his emotional and musical life Their partnership lasted nearly four decades during a dangerous time when homosexuality was illegal in England Conscientious objectors Britten and Pears followed Auden to America before the war began in 1939 While there they joined the extraordinary Brooklyn ménage of George Davis Louis MacNeice and Paul Bowles Eventually intense homesickness provoked in part by George Crabbe's poem Peter Grimes drove the pair home to East Anglia in 1942 and gave Britten the inspiration for his finest opera Throughout his career Britten did not want modern music to be just for the cultured few and instead always composed his music to be listenable to The shared quotidian lives of Britten and Pears unfold in this intimate biography and the story of two men who created a truly remarkable legacy

Great Circles Emily Rolfe Grosholz,2018-11-13 This volume explores the interaction of poetry and mathematics by looking at analogies that link them The form that distinguishes poetry from prose has mathematical structure lifting language above the flow of time as do the thoughtful ways in which poets bring the infinite into relation with the finite The history of mathematics exhibits a dramatic narrative inspired by a kind of troping as metaphor opens metonymy and synecdoche elaborate and irony closes off or shifts the growth of mathematical knowledge The first part of the book is autobiographical following the author through her discovery of these analogies revealed by music architecture science fiction philosophy and the study of mathematics and poetry The second part focuses on geometry the circle and square launching us from Shakespeare to Housman from Euclid to Leibniz The third part explores the study of dynamics inertial motion and transcendental functions from Descartes to Newton and in 20th c poetry The final part contemplates infinity as it emerges in modern set theory and topology and in contemporary poems including narrative poems about modern cosmology **In**

Search of the Spirit Mary McDermott Shideler,2005-09-01 Mary Shideler's call to see ourselves as living under the aspect of the eternal to awaken that Spirit within is itself sounded from a deep commitment and practice Applicable to beginners of

many different traditions and backgrounds she is also clear that at some time the novitiate must end and that a deeper commitment will be necessary Perhaps her observation Thou shalt not be overcome will be one that will prompt many to begin their own spiritual journey Henri Nouwen In this classical primer on the spiritual life Mary McDermott Shideler writes for those just beginning to experience the stirrings of the spirit and to ask the most elementary questions How should I pray What should I pray What is prayer In her guide to the basics of spiritual development Shideler leads us with shrewd psychological insight from the early steps of spiritual awakening to mature understanding and commitment to whatever tradition in which we find ourselves Drawing on the insights of writers like CS Lewis Kierkegaard Charles Williams and GK Chesterton this eloquent work describes life in the spirit with vivid stories and examples and without formal terminology

Choral Music Avery T. Sharp, James Michael Floyd, 2011 This is an annotated bibliography to books recordings videos and websites on choral music This book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared since publication of the previous edition **YEAR OF WONDER: Classical Music for Every Day** Clemency Burton-Hill, 2017-10-05 As featured in the Telegraph and on Radio 4's Today programme A magnificent treasury a fascinating tour de force Observer Year of Wonder is an absolute treat the most enlightening way to be guided through the year Eddie Redmayne Classical music for everyone an inspirational piece of music for every day of the year celebrating composers from the medieval era to the present day written by award winning violinist and BBC Radio 3 presenter Clemency Burton Hill Have you ever heard a piece of music so beautiful it stops you in your tracks Or wanted to discover more about classical music but had no idea where to begin Year of Wonder is a unique celebration of classical music by an author who wants to share its diverse wonders with others and to encourage a love for this genre in all readers whether complete novices or lifetime enthusiasts Clemency chooses one piece of music for each day of the year with a short explanation about the composer to put it into context and brings the music alive in a modern and playful way while also extolling the positive mindfulness element of giving yourself some time every day to listen to something uplifting or beautiful Thoughtfully curated and expertly researched this is a book of classical music to keep you company whoever you are wherever you are from The only requirements for enjoying classical music are open ears and an open mind Clemency Burton Hill Playlists are available on most streaming music platforms including Apple Music [Hymn to St. Cecilia Op. 27](#) Benjamin Britten, Wystan H. Auden, 1942 *Benjamin Britten* Graham Elliott, 2005-12-08 Since Britten's death in 1976 numerous articles and books have been written about his life and work Much has been made of the strong influences of his pacifism and his homosexuality It is often suggested that Britten felt himself to be an outsider from normal society and that this accounts for his concern to portray the outsider in his operas There is no doubt that this is an important aspect of Britten's art but the present work attempts to show that his music embraces much wider and more universal concerns and in addressing those concerns there is a clearly defined pattern of spiritual influence Part One of the

book examines Britten's early life and the strong presence which the Church had in his childhood and adolescence. It explores the way in which certain spiritual influences were first manifested and how like the more specifically musical themes which Donald Mitchell has noted they can be traced throughout Britten's life and work. The author was privileged to have conversations with two clergymen who were influential in Britten's life as well as gathering valuable insights through a long series of conversations with Sir Peter Pears. Part Two examines a wide range of the composer's music in which a spiritual dimension can be traced. The specifically liturgical music has received rather less critical notice than Britten's larger works. The music is discussed here and shown to possess musical characteristics in common with the larger works. Britten could not be described as a conventional Christian still less is it true to describe him as Eric Walter White has done as keen wherever possible to work within the framework of the Church of England. Nevertheless his spirituality was rooted in the religious experience of his childhood. This book seeks to demonstrate that Britten retained a sense of the Christian values absorbed in childhood and adolescence and that these along with the specifically Christian heritage of plainsong were strongly influential in his choice and treatment of themes. All Music Guide to Classical Music Chris Woodstra, Gerald Brennan, Allen

Schrott, 2005-09. Offering comprehensive coverage of classical music, this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers as well as twenty-three essays on forms, eras, and genres of classical music. Original. The Journey of an Abused Child William Bullock, 2020-10-27. This author tells the true story of his younger life of physical abuse and extreme mental abuse that was imposed upon him by an unstable stepdad on a daily basis. In this book, the author shares raw events from his abuse that occurred when he was ten years old to about fifteen years old and the only safe place he could sometimes escape to was his grandma's house and the local church whenever he was allowed to attend. One day he met a total stranger on the street while jogging who broke his concentration and level of endurance and proceeded to ask several questions out of the blue causing him to be startled, asking him questions that caused him to confront and reflect back on a part of his life he had tried to deny and forget. This Christian stranger later introduced him to a caring God-fearing man by the name of Pastor Gerald who helped him in changing his life forever. He was told that you cannot conquer that which you do not confront. You must confront the problem before you can conquer it. He further says that since this spiritual encounter with Pastor Gerald Greene, his life has never been the same.

Oxford Dictionary of Modern Quotations Elizabeth Knowles, 2007-08-23. This new collection offers a vivid picture of the world in the 21st century against a backdrop of the landmark events leading up to it. From Catherine Tate and the Simpsons to Mother Teresa and Winston Churchill, *Modern Quotations* charts the ebbs and flows of popular culture as well as marking the key voices and watersheds for our time. An authoritative look-up reference and an enjoyable source for browsing, the perfect gift. New quotations include: "You tried your best and you failed miserably. The lesson is never try." Homer Simpson. "Matt Groening, I ain't a communist necessarily, but I been in the red all my life." Woody Guthrie. "I don't eat anything with a face

Linda McCartney Never stop because you are afraid you are never so likely to be wrong Fridtjof Nansen I watch where the cosmetics industry is going and then walk in the opposite direction Anita Roddick I wish I had invented blue jeans Yves Saint Laurent Fame vaporizes money goes with the wind and all that's left is character O J Simpson *Swan* Peter Young, 2008-03-15 The graceful winged form of the swan has inspired works of art from fairy tales to ballets and its profile is recognized immediately by even the most cursory of bird admirers Now the newest addition to Reaktion's acclaimed Animal series examines the fascinating story behind this elegant bird The natural history of the swan is surprisingly complex as Peter Young reveals delving into the bird's habitat and feeding habits the physiological details of the eight surviving species and several extinct ones the bird's power and endurance and the formation flying that allows them to conserve energy and fly great distances with speed *Swan* gives equal treatment to the long and rich role of the swan in human culture from the Greek myth of Leda and the Swan to the bird's portrayal in sculpture furniture and brand name logos Young also details the challenges facing conservation efforts to protect swans from human consumption and material goods An engrossing account *Swan* will be a welcome addition to the bookshelf of all who admire this beautiful bird *A Chronicle of First Broadcast Performances of Musical Works in the United Kingdom, 1923-1996* Alastair Mitchell, 2019-06-04 First published in 2001 this work provides detailed information taken from the Programmes as Broadcast daily log of output held at the BBC Written Archives Centre in Caversham Arranged in chronological order entries are given for broadcasts of first performances of musical works in the United Kingdom and include details of the date of the broadcast the composer the title of the work performers and conductor In addition to its usefulness as a reference tool the Chronicle enables us to gauge the trends in twentieth century British musical life and the role of the BBC in their promotion **The Complete Works of W. H. Auden: Poems, Volume II** W. H. Auden, 2022-06-14 The second of two volumes of the eagerly anticipated first complete edition of Auden's poems including some that have never been published before W H Auden 1907-1973 is one of the greatest poets of the twentieth century and his reputation has only grown since his death Published on the hundredth anniversary of the year in which he began to write poetry this is the second volume of the first complete edition of Auden's poems Edited introduced and annotated by renowned Auden scholar Edward Mendelson this definitive edition includes all the poems Auden wrote for publication in their original texts and all his later revised versions as well as poems and songs he never published some of them printed here for the first time This volume follows Auden as a mature artist containing all the poems that he published or submitted for publication from 1940 until his death in 1973 at age sixty six This includes all his poetry collections from this period from *The Double Man* 1941 through *Epistle to a Godson* 1972 The volume also features an edited version of his incomplete posthumous book *Thank You Fog* as well as his self-designated posthumous poems The main text presents the poems in their original published versions The notes include the extensive revisions that he made to his poems over the course of his career and provide explanations of obscure references The first volume of this edition *Poems Volume I* 1927

1939 is also available Benjamin Britten, His Life and Operas Eric Walter White, 1983 This new edition has been thoroughly revised and edited by John Evans research scholar to the Britten Estate who has updated the chronological list of published works and included in the bibliography the many books that have been written about the composer since his death in 1976 Although as the title suggests this book concentrates on Britten's operatic output Mr White's account offers insights into the whole range of this prodigious composer's music The text is lavishly illustrated with plates that reveal both the diversity of his operatic development and comprise a distinctive pictorial bibliography **Classical records and cassettes**
Andre Perrault, 1980
